No license shall be granted for the operation of a retail store for the sale of alcoholic beverages on any premises except on premises which are zoned GC (General Commercial), CC (Central Commercial), NC (Neighborhood Commercial), ML (Local Mixed-Use), MN (Neighborhood Mixed-Use), or MR (Regional Mixed-Use) as shown on the official zoning map. Within these districts no alcoholic beverages shall be sold, distributed, or stored on any premises that shall be located within 300 feet of any church, school ground, or college campus or within 200 feet of a public library or residential dwelling unit, as

defined by the zoning ordinance, except if the dwelling unit is located within a building that contains mixed-uses. No license shall be issued to any retail liquor dealer where the place of business of the licensee is located within 300 feet of another retail liquor store. Distances shall be measured in the most direct means from main entrance door to main entrance door. "Schools" and "colleges" shall include, but are not limited to, licensed day care or childcare facilities, but shall not include any private colleges or schools where only specialized business, such as law, stenography, business, music, art, medicine, dentistry, vocational occupations or other business subjects are taught. In determining the distance from any public library, school, church ground or college campus, the distance shall be measured from the center of the main entrance of such structures and following the usual and customary path of pedestrian travel to the center of the main entrance of the proposed liquor store. As a further limitation on the location of retail stores for the sale of alcoholic beverages, when, in the opinion of the board of mayor and aldermen, expressed by the passage of an appropriate resolution, the carrying on of a business for the operation of a retail store for the sale of alcoholic beverages at the location covered by the application for a license would be inimical to the public interest, the board shall so advise the alcoholic beverage commission and shall instruct the city attorney to oppose the issuance of the license. Further, any approval of license is contingent on state and local laws, which take precedence over this section.

(1976 Code, § 2-105; Ord. No. 2008-55, § I, 2-10-2009)

Sec. 8-106. - Limitation on number of retailers to be licensed.

Within the corporate limits of the City of Franklin there shall be a limit on the number of retailers licensed to sell alcoholic beverages. That limit shall be one retailer for every 3,000 inhabitants, or fraction thereof, according to the latest federal census, whether regular or special. No person, firm or corporation shall be licensed under this chapter or permitted by the City of Franklin to engage in the sale or distribution of alcoholic beverages in excess of one licensee for every three thousand inhabitants of Franklin, or fraction thereof, according to the last federal census, whether regular or special. When the number of licenses issued under this chapter for retail dealers in alcoholic beverages within the corporate limits of the City of Franklin equals one for every three thousand inhabitants of said town or fraction thereof, according to the last federal census, whether special or regular, all other applications for a license to engage in the retail sale of alcoholic beverages within the limits of said city shall be opposed by the City of Franklin before the alcoholic beverage commission, unless or until some person, firm or corporation holding such a valid license discontinues the operation of a retail liquor establishment. Provided, however, that nothing in this section shall prohibit or in any manner affect the renewal of any retail license in the continuation of the operation of any retail store licensed and in operation on March 8, 1966.

(1976 Code, § 2-106)

Sec. 8-107. - Bonds of licensees.

Sec. 8-108. - Restrictions on license holders and employees.

- (1) The license fee for every license hereunder shall be payable by the person making application for such license and to whom it is issued, and no other person shall pay for such license. In addition to all other penalties, a violation of this section shall authorize and require the board of mayor and aldermen to take action pursuant to section 8-104 of this chapter, regarding the revocation of the license, if any, of the person so paying for the license of another and/or the license of the person for whom the license was purchased.
- (2) No retailer's license shall be issued to a person who is a holder of a public office, either appointive or elective, or who is a public employee, either national, state, city or county. It shall be unlawful for any such person to have any interest in such retail business, directly or indirectly, either proprietary or by means of any loan, mortgage, or lien, or to participate in the profits of any such business.

The foregoing shall not apply to uncompensated appointees to municipal boards and commissions where the boards or commissions on which such appointees serve have no duty to vote for, overlook, or in any manner superintend the sale of alcoholic beverages.

- (3) No retailer shall be a person who has been convicted of a felony involving moral turpitude within ten years prior to the time he or she or the concern with which he or she is connected shall receive a license. However, this provision shall not apply to any person who has been convicted, but whose rights of citizenship have been restored or judgment of infamy has been removed by a court of competent jurisdiction. In the case of any such conviction occurring after a license has been issued and received, the said license shall immediately be revoked, if such convicted felon be an individual licensee, and if not, the partnership, corporation or association with which he or she is connected shall immediately discharge him or her.
- (4) No license shall under any condition be issued to any person who within ten years preceding application for such license or permit shall have been convicted of any offense under the laws of the State of Tennessee or of any other state or of the United States prohibiting or regulating the sale, possession, transportation, storing, manufacturing, or otherwise handling intoxicating liquors or who has, during said period, been engaged in business, alone or with others, in violation of any of said laws or rules and regulations promulgated pursuant thereto.
- (5) No manufacturer, brewer, or wholesaler shall have any interest in the business or building containing licensed premises or any other person having a license hereunder or in the fixtures of any such person.
- (6) It shall be unlawful for any person to have ownership in, or participate, either directly or indirectly, in the profits of any retail business licensee, unless his interest in said business and the nature, extent, and character thereof shall appear on the application. If the interest is acquired after the issuance of a license it shall be fully disclosed to the board of mayor and aldermen and approved by it. Where such interest is owned by such person on or before the application for any license, the burden shall be upon such person to see that this section is fully complied with, whether he or she, himself or herself, signs or prepares the application, or whether the same is prepared by another. If said interest is acquired after the issuance of the license, the burden of said disclosure of the acquisition of such interest shall be upon the seller and the purchaser. If any person shall violate the provisions of this subsection, he or she shall be guilty of a misdemeanor and, upon conviction thereof shall be fined as specified in appendix A, comprehensive fees and penalties.
- (7) No person shall be employed in the sale of alcoholic beverages except a citizen of the United

States.

- (8) No retailer, or any employee thereof, engaged in the sale of alcoholic beverages shall be a person under the age of 18 years. It shall be unlawful for any retailer to employ any person under 18 years of age for the physical storage, sale, or distribution of alcoholic beverages, or to permit any such person in its place of business to engage in the storage, sale or distribution of alcoholic beverages.
- (9) No retailer shall employ in the storage, sale or distribution of alcoholic beverages, any person who, within ten years prior to the date of his or her employment shall have been convicted of a felony involving moral turpitude. In case an employee should be convicted he or she shall immediately be discharged. However, these provisions shall not apply to any person who has been so convicted, but whose rights of citizenship have been restored, or judgment of infamy has been removed by a court of competent jurisdiction.
- (10) The issuance of a license does not vest a property right in the licensee, but is a privilege subject to revocation or suspension under this chapter.
- (11) Misrepresentation of a material fact, or concealment of a material fact required to be shown in the application for a license shall be a violation of this chapter.

(1976 Code, § 2-108; Ord. No. 2009-14, § II, 4-14-2009)

Sec. 8-109. - Residency requirement for managing agents and licensees.

No license shall be issued to any person who has not been a resident of Williamson County, Tennessee, for a period of at least two years prior to the issuance of said license. When a license is applied for in the name of a corporation, the license shall be issued jointly with that corporation's managing agent, and no license shall be issued to a managing agent unless that managing agent has been a resident of Williamson County, Tennessee, for a period of at least two years prior to the issuance of said license.

(1976 Code, § 2-108A)

Sec. 8-110. - Display of licenses.

Persons granted a license to carry on any business or undertaking contemplated herein shall, before being qualified to do business, display and post, and keep displayed and posted, in the most conspicuous place in their premises, such license.

(1976 Code, § 2-109)

Sec. 8-111. - Transfer of licenses restricted.

The holder of a license may not sell, assign, or transfer such license to any other person, and the license shall be good and valid only for the calendar year in which the same was issued. However, licensees who are serving in the military forces of the United States in the time of war may appoint an agent to operate under the license of the licensee during the absence of the licensee. In such instances, the license shall continue to be carried and renewed in the name of the owner. The agent of the licensee shall conform to all the requirements of a licensee. No person who is ineligible to obtain a license shall be eligible to serve as the agent of a licensee under this section.

(1976 Code, § 2-110)

Sec. 8-112. - New license after revocation.

Where a license is revoked, no new license shall be issued to permit the sale of alcoholic beverages on the same premises until after the expiration of one year from the date said revocation becomes final and effective.

(1976 Code, § 2-111)

Sec. 8-113. - Federal license, effect of.

The possession of any federal license to sell alcoholic beverages without the corresponding requisite state license, shall in all cases be prima facie evidence that the holder of such federal license is selling alcoholic beverages in violation of the terms of this chapter.

(1976 Code, § 2-112)

Sec. 8-114. - Inspection fee.

- (1) There is hereby levied upon every licensee under this chapter an inspection fee as specified in appendix A, comprehensive fees and penalties, for all alcoholic beverages sold and/or supplied by a wholesaler of alcoholic beverages to said licensee within the corporate limits of the City of Franklin, Tennessee, said fee to be collected by the wholesaler as hereinafter provided.
- (2) The inspection fee shall be collected by the wholesaler from the licensee following notice given the wholesaler by the city recorder of the City of Franklin, Tennessee, of the passage of this chapter. The inspection fee shall be collected by the wholesaler at the time of the sale or at the time the licensee makes payment for the delivery of the alcoholic beverages.
- (3) Each wholesaler making sales to licensees located within the corporate limits of the City of Franklin, Tennessee, shall furnish the municipality a report monthly, which report shall contain a list of the alcoholic beverages sold in each licensee located within the municipality, the wholesale price of the alcoholic beverages sold to each licensee, the amount of the inspection fee due and such other information as may be required by the municipality. A monthly report shall be furnished the municipality imposing the inspection fee not later than the 20th of the month following the month in which the sales were made. The inspection fees collected by the wholesalers from the licensee or licensees located within the municipality shall be paid to the municipality at the time the monthly report is made. Wholesalers collecting and remitting the inspection fee to the municipality shall be entitled to reimbursement for this collection service a sum as specified in appendix A, comprehensive fees and penalties, and remitted, such reimbursement to be deducted and shown on the monthly report to the municipality.
- (4) The failure of the wholesaler to collect or timely report and/or pay the inspection fees collected shall result in a penalty as specified in appendix A, comprehensive fees and penalties, which shall be payable to the municipality.
- (5) The inspection fee provided for herein shall be in lieu of all other gross receipt or inspection fees imposed upon wholesalers or licensees under this chapter on alcoholic beverages by the municipality.
- (6) The municipality shall have the authority to audit the records of the wholesalers and/or licensees subject to the provisions of this chapter in order to determine the accuracy of the reports of the wholesalers and/or licensees.

(1976 Code, § 2-113; Ord. No. 2009-14, §§ III—V, 4-14-2009)

Sec. 8-115. - Regulations for purchase and sale of intoxicating liquors.

- (2) No retailer shall purchase any alcoholic beverages from anyone other than a licensed wholesaler, nor shall any wholesaler sell any alcoholic beverages to anyone other than a licensed retailer.
- (3) No licensee shall sell intoxicating liquors at retail in connection with any other business or in the same store where any other business is carried on.
- (4) No retail store shall be located except on the ground floor and it shall have one main entrance opening on a public street and such place of business shall have no other entrance for use by the public except as hereafter provided.

When a retail store is located on the corner of two public streets such retail store may maintain a door opening on each of the public streets. Any sales room adjoining the lobby of a hotel or other public building may maintain an additional door into such lobby so long as same shall be open to the public. Also, every retail store shall be provided with whatever entrances and exits may be required by existing or future municipal ordinances. When a retail liquor store is authorized to be located or operated within an established shopping center or shopping mall, under circumstances that said liquor store would not have a main entrance or door opening onto a public street, the board of mayor and aldermen in its discretion may nevertheless approve the issuance of a liquor license for said location, pursuant to section 8-106 of this chapter.

However, nothing in this subsection shall prohibit or in any manner limit or affect the renewal of any retail license in the continuation of the operation of any retail store licensed and in operation on March 8, 1966.

Sec. 8-117. - Regulation of retail sales.

- (1) No retailer shall, directly or indirectly, operate more than one place of business for the sale of alcoholic beverages in the City of Franklin, Tennessee, and the word "indirectly" shall include and mean any kind of interest in another place of business, by way of stock ownership, loan, partner's interest, or otherwise.
