MEMORANDUM

February 6, 2012

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator 
Vernon Gerth, ACA, Community and Economic Development
Catherine Powers, Director of Planning and Sustainability

SUBJECT: Ordinance 2012-13, Amend Section 14-2002 of the Franklin Municipal Code Relative to Fees for the Planning Review Process

Purpose

The purpose of this memorandum is to provide the Mayor and Board of Alderman (BOMA) with information regarding an amendment to the Municipal Code for a revision to the Fees Schedule for Plan Review, specifically to delete the fee chart in Section 14-202.

Background

The Planning and Sustainability Department submitted to the BOMA work session a request to revise fees related to the new Development Plan at the January 24, 2012 BOMA. This request would establish the fee for Development Plan Review at \$600, instead of the \$400 required for Concept Plan and \$300 required for Regulating Plan Review.

The request was to amend the fees in Section 14-202 of the Municipal Code.

The City wishes to consolidate all fees in Title 22, Comprehensive Fees and Penalties in order to make this information readily available in one location within the Municipal Code.

This Ordinance deletes the Planning fee chart in Section 14-202. Ordinance 2012-14 will place the fee chart in Title 22, Chapter 14.

Financial Impact

Not applicable to this item.

Recommendation

Approval of the Municipal Code amendment is recommended.
