Section 4.03. Rental Payments To Be Unconditional. No such assignment shall be binding on Lessee until the Registrar has received written notice from Lessor of the name and address of the assignee. Lessee agrees to execute all documents, including chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interest in the Equipment and in this Agreement. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim, defense, set-off or other right Lessee may from time to time have against Lessor.

Section 11.02. Assignment and Subleasing by Lessee. None of Lessee's right, title and interest in, to and under this Agreement and in the Equipment may be assigned or encumbered by Lessee for any reason, except that Lessee may sublease all or part of the Equipment if Lessee obtains the prior written consent of Lessor and an opinion of nationally recognized counsel in the area of tax exempt municipal obligations satisfactory to Lessor that such subleasing will not adversely affect the exclusion of the interest components of the Rental Payments from gross income for federal income tax purposes. Any such sublease of all or part of the Equipment shall be subject to this Agreement and the rights of the Lessor in, to and under this Agreement and the Equipment.

AMENDMENT TO EQUIPMENT LEASE /PURCHASE AGREEMENT

This Amendment to that certain Equipment Lease Purchase Agreement (together with all Exhibits and this Amendment, the "Agreement") dated as of December 18, 2009, between De Lage Landen Public Finance, LLC (together with its successors and assigns, "Lessor"), and City of Franklin (together with its successors and assigns, "Lessee"), is incorporated in and is hereby made a part of the Agreement.

Lessor and Lessee hereby agree that capitalized terms used herein and not otherwise defined shall have the terms assigned to such terms in the Agreement and that the following changes and additions are hereby made to the Agreement:

Section 7.02. Insurance. At its own expense, Lessee shall maintain (a) casualty insurance as provided for by State law or, in the absence of State law provisions, casualty insurance insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Lessor in an amount at least equal to the then applicable Purchase Price of the Equipment, (b) liability insurance as provided by State law, and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lessor's prior written consent, Lessee may self insure against the risks described in clauses (a) and (b). All insurance proceeds from casualty losses shall be payable as hereinafter provided. Lessee shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term. All such casualty and liability insurance shall be with insurers that are acceptable to Lessor, shall name Lessor as a loss payee and an additional insured, respectively, and shall contain a provision to the effect that such insurance shall not be cancelled or modified materially without first giving written notice thereof to Lessor at least ten days in advance of such cancellation or modification. All such casualty insurance shall contain a provision making any losses payable to Lessee and Lessor, as their respective interests may appear.

Section 7.03. Advances. In the event Lessee shall fail to either maintain the insurance required by this Agreement, pay the taxes or charges required to be paid by it under this Agreement or keep the Equipment in good repair and working order, Lessor may, but shall be under no obligation to, purchase the required policies of insurance and pay the cost of the premiums thereof, pay such taxes and charges and maintain and repair the Equipment and pay the cost thereof. All amounts so advanced by Lessor shall become additional rent for the then current Original Term or Renewal Term. Lessee agrees to pay such amounts with interest thereon from the date paid at the maximum rate permitted by law.

Section 7.05. Release and Indemnification. To the extent permitted by law, Lessee shall indemnify, protect and hold harmless Lessor from and against any and all liability, obligations, losses, claims and damages whatsoever, regardless of cause thereof, and expenses in connection therewith arising out of or as the result of (a) the entering into this Agreement, (b) the ownership of any item of the Equipment, (c) the manufacturing, ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Equipment, (d) any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury or death to any person or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

12.02

(b) With or without terminating this Agreement, Lessor may enter the premises where the Equipment is located and retake possession of the Equipment or require Lessee at Lessee's expense to promptly return any or all of the Equipment to the possession of Lessor at a place specified by Lessor, and sell or lease the Equipment or, for the account of Lessee, sublease the Equipment, holding Lessee liable for the difference between (i) the Rental Payments and other amounts payable by Lessee hereunder plus the then applicable Purchase Price, and (ii) the net proceeds of any such sale, lease or sublease (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation, all expenses of taking possession, storing, reconditioning and selling or leasing the Equipment); provided that the amount of Lessee's liability under this subparagraph (b) shall not exceed the Rental Payments and other amounts

otherwise due hereunder plus the remaining Rental Payments and other amounts payable by Lessee hereunder to the end of the then current fiscal year of Lessee; and

(c) Lessor may take whatever other action at law or in equity may appear necessary or desirable to enforce its rights as the owner of the Equipment.

In addition, Lessee will remain liable for all covenants and indemnities under this Agreement. Lessor may charge interest on all amounts due to it at the maximum amount permitted by law.
