

MEMORANDUM

July 13, 2012

TO: Board of Mayor and Aldermen

FROM: Eric S. Stuckey, City Administrator
Russell Truell, Assistant City Administrator / CFO
Lisa Clayton, Parks Director
Brian Wilcox, Purchasing Manager

SUBJECT: Consideration of bid award to First Place Finish, Inc. of Oak Ridge, TN in the total amount of \$55,683.59 for certain improvements to the playground adjacent to the tennis courts at Jim Warren Park and to the playground at Liberty Park for the Parks Department (Purchasing Office Procurement Solicitation No. 2012-030; to be funded in part by Tennessee Local Parks and Recreation Fund Grant; Contract No. 2012-0120)

Purpose

The purpose of this procurement would be to purchase the supply, delivery and installation of a new safety surface for the playground adjacent to the tennis courts at Jim Warren Park, and the supply, delivery and installation of new sunshade protection for the playground at Liberty Park. The new safety surface for the Jim Warren Park playground would replace an existing mulch surface that would be removed by the Parks Department. The new sunshade protection for the Liberty Park playground would be an expansion to shade protection at that location.

Background

The City published on June 21, 2012 a Notice to Bidders in the *Williamson Herald* for playground safety surface supply and installation at Jim Warren Park, and sunshade structure supply and installation at Liberty Park. In addition, bid documents were sent on or about the same date directly to seventeen (17) potential bidders known or thought to be interested in this solicitation. Bids from three (3) vendors were publicly opened at the bid opening held on July 10, 2012. A tabulation of the bids received for this solicitation is attached.

Financial Impact

The apparent lowest, most responsive and responsible bid, from First Place Finish, Inc. of Oak Ridge, TN, is in the total amount of \$55,683.59 for the options offered by the bidder that are of greatest interest to the City. This bid was identified because it is the lowest bid that most closely meets or exceeds the City's intention as expressed and implied by the City's specifications as well as the instructions, terms and conditions pertaining to this procurement solicitation.

This project is to be funded in part by a State of Tennessee Local Parks and Recreation Fund (LPRF) grant. LPRF grants provide state funding for the purchase of land for parks, natural areas, greenways, and the purchase of land for recreational facilities. Funds also may be used for trail development and capital projects in parks, natural areas and greenways. In 2010, the Franklin Parks Department received a grant award in the amount of \$65,000 for three projects:

- refurbishment of eight (8) tennis courts at Jim Warren Park (\$15,000);
- safety surfacing for an existing playground at Jim Warren Park (\$37,500); and
- shade protection at Liberty Park (\$12,500).

LPRF grants require a 50% local match. The matching funds requirement for these three projects is to be met by a combination of monetary funds from the City budget and in-kind labor supplied by the City's Parks Department. Parks crews will be removing the existing Jim Warren Park tennis court fencing as well as the existing mulch surface material at the Jim Warren Park playground.

Below is a breakdown of how these projects would be funded:

Description	Value of project to be completed by contractor	Grant amount budgeted	Local funds to be allocated to project	Estimated total value of project	Minimum value of project to be completed by in-kind labor supplied by grantee
Refurbish approx. 8 tennis courts at Jim Warren Park	\$75,550.00	\$15,000.00	\$60,550.00	\$100,000.00	\$24,450.00 (for removal of existing fencing)
Add safety surface to playground at Jim Warren Park	\$50,673.89	\$37,500.00	\$13,173.89	\$75,000.00	\$24,326.11 (for removal of existing surface)
Install shade protection at Liberty Park	\$5,009.70	\$12,500.00	\$0.00	\$5,009.70	\$0.00
Totals:	\$131,229.59	\$65,000.00	\$73,723.89	\$180,009.70	\$48,776.11

The Parks Department budget for fiscal year 2012 allocated \$45,000.00 out of the General Fund for the Jim Warren Park tennis court refurbishment project. As that project has only now been bid, these funds were not spent. Staff recommends that \$73,723.89 be appropriated (by budget amendment) for the combination of these three projects in fiscal year 2013.

Options

In accordance with the bid documents, the City reserves the right to reject any and all bids.

Recommendation

Staff recommends that the City accept the apparent lowest best bid, from First Place Finish, Inc. of Oak Ridge, TN, in the total amount of \$55,683.59 for the options offered by the bidder that are of greatest interest to the City. Purchasing Manager Brian Wilcox is of the opinion that the prepared specifications as distributed allowed for competition among multiple vendors, and that the staff recommendation appears to be made in a fair and impartial manner based upon the bids received.
