MEMORANDUM

June 12, 2012

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator 
Vernon Gerth, Assistant City Administrator for Community and Economic Development
Catherine Powers, Planning and Sustainability Director

SUBJECT: Ordinance 2012-27, Zoning Text Amendment to amend Chapter 4, Section 4.1.6, of the *City of Franklin Zoning Ordinance*

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen with information regarding an amendment to Chapter 4, Sections 4.1.6 of the *City of Franklin Zoning Ordinance*.

Background

This Zoning Ordinance Text Amendment is proposed by the City Staff in effort to permit Government Facilities to store equipment and materials outside. Currently, the Accessory Use standards in Chapter 4 require that outdoor storage be fully covered and screened. Since Government Facilities are not specially exempted, this standard applies to City, County, and State facilities within the City of Franklin. Since the material or equipment that would be stored outside is part of essential government services, staff believes that Government Facilities should be exempted from the requirement to cover the outdoor storage, but that it should still be required to be fully screened according to the standards within the Franklin Zoning Ordinance (FZO).

This text amendment was recommended by the FMPC with a 6-0 vote at the May 24, 2012 FMPC meeting.
