MEMORANDUM

August 6, 2012

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator
Vernon Gerth, Assistant City Administrator for Community and Economic Development
Catherine Powers, Planning and Sustainability Director

SUBJECT: Ordinance 2012-38, Zoning Text Amendment to Chapter 3, Section 3.2 and Chapter 8, Section 8.3 of *City of Franklin Zoning Ordinance* to revise requirements related to Hotels

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen with information regarding an amendment to Chapter 3, Section 3.2 and Chapter 8, Section 8.3 of *City of Franklin Zoning Ordinance* to revise requirements and definitions related to Hotels.

Background

Recently, Town Place Suites appealed an administrative decision to the Board of Zoning Appeals contesting the City's requirement that suite hotels contain a separate sleeping room. The dispute was that our Zoning Ordinance does not specify a separate sleeping room but rather the definition says, "An establishment providing lodging in which the guest rooms have separate sleeping and living areas, including limited kitchen facilities."

Towne Place Suites argued that a couch and table, plus kitchen facilities constituted a separate area. The Board of Zoning Appeals voted two to one (2-1) in agreement with Town Suites.

Since there is now little difference between an All-Suites Hotel and a Full Service Hotel, staff decided to consolidate the definitions and regulations. However, it is desirable to assure that all hotels in the City are a quality experience for our visitors; therefore staff recommends certain requirements that must be met by all hotels.

Additionally, there has been interest in the concept of Boutique Hotels, particularly for downtown Franklin. At the present time, there is no definition or regulations related to Boutique Hotels. Staff believes that Boutique Hotels should be placed exclusively in downtown Franklin and reflects the historic atmosphere.

The intent of this Ordinance is to provide regulations for hotels in Franklin and to provide for a new category of Boutique Hotel.

This text amendment was recommended (6-1) by the Planning Commission at the July 26, 2012 FMPC meeting.
