Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in April 1970, granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section 509(a)(2).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Heritage Foundation of Franklin and Williamson County Tennessee  
23-7042596

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

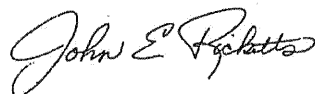

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE

SUBJECT: Pumpkinfest, Oct. 27, 2012

Attached is the application for this year's Pumpkinfest, and I think it is a little refined from the last couple of years. Here are the major changes:

--There will be a barbecue tasting tent on 4<sup>th</sup> South, but no barbecue contest this year. As you know, Bicentennial Park will be a construction staging area at that time and we just couldn't fit the teams in the remaining space. Instead of a contest, it will be a taste of local BBQ restaurants and food trucks on Friday night and throughout the day on Saturday.

--However, we would like to open the BBQ tent on Friday night from 6 to 10 p.m., so the request is to close 4<sup>th</sup> Ave. S. all day Friday, Oct. 26, for set-up. This is the same as last year. Beer will be confined to this tent for the duration of Pumpkinfest. This event will be open to the public.

--The Franklin Tomorrow Chili Cook-off is moving to 3<sup>rd</sup> Avenue South next to City Hall. There will be food vendors in their previous location at 4<sup>th</sup> Ave. N.

--Most activities will end at 6 p.m. on Saturday. Only the BBQ and beer tent on 4<sup>th</sup> South will stay open until 7 p.m. Everything should be clear by 9 p.m. Saturday, Oct. 27.

--All children's activities, including non-profit booths, will be on 3<sup>rd</sup> Avenue North all the way to Bridge Street. The Great Pumpkin/Sister Cities booth will be #1 leading into this street. This is all the same as last year. There is a wedding on 3<sup>rd</sup> North that night, so this area will need to clear quickly at 6 p.m. for that 7:30 p.m. event.

We look forward to working with you and the department heads again on this event!
