

RESOLUTION 2012-46

A RESOLUTION ABANDONING A PORTION OF THE RIGHTS-OF-WAY (ROW) OF BRADFORD DRIVE, COTHRAN DRIVE AND DAVIDSON DRIVE WITHIN THE ROLLING MEADOWS SUBDIVISION OF THE CITY OF FRANKLIN, TENNESSEE

WHEREAS, the Rolling Meadows Subdivision was recorded with the Williamson County Register of Deeds in the late 1950s and annexed into the City of Franklin (City) in 1968; and

WHEREAS, the Subdivision gradually developed and homes were built over time, although one of the north-south platted streets (Bradford Drive) was never constructed by the developer; and

WHEREAS, in 2009, the City completed construction of the southern portion of Bradford Drive to provide public access to a number of existing vacant lots; and

WHEREAS, the remaining northern portion of unimproved Bradford Drive right-of-way (ROW) is not necessary for the provision of access to lots; and

WHEREAS, twelve (12) adjacent property owners have requested that the City abandon the ROW for the northern portion of Bradford Drive, along with two unimproved street stubs at the northern end of Cothran Drive and the eastern end of Davidson Drive; and

WHEREAS, the Board of Mayor and Aldermen has determined that the ROW is determined to be of no further feasible use to the City and is not necessary for the interests of public health, safety and welfare of its citizens; and

WHEREAS, it has been reasonably determined that the properties are valued at less than \$25,000 and therefore, according to Municipal Code Section 5-802, may be disposed of by negotiated contract; and

WHEREAS, the adjacent property owners have agreed to divide and accept the property as depicted in Exhibit A, and to pay for the City's actual costs of surveying, preparing of legal documents and recording fees for the property transfer, not to exceed \$1,000 for each half.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE CITY OF FRANKLIN, TENNESSEE, that the City of Franklin declares surplus

the unused rights-of-way on Bradford Drive, Cothran Drive and Davidson Drive and authorizes the Mayor and City Administrator to execute all documents necessary to transfer the ownership to the adjacent property owners, all as depicted in Exhibit A, with the creation of any public utility, drainage and/or access easements required for the installation, repair and maintenance of existing public utilities or pedestrian facilities. **IT IS SO RESOLVED AND DONE** on this the _____ of _____, 2012.

Right-of-Way Abandonment Request**

Dear City of Franklin Board of Mayor and Aldermen:

I, BERTHA BEECH (print name), am a property owner

at 208 Davidson DR (address). My property is next to an unused right-of-way. I am asking the City to abandon the right-of-way.

Property Owner please check one box below:

I would like to own half of the right-of-way (split between myself and my neighbor) and pay for half of the surveying, preparing of legal documents, and recording fees for the property transfer. In total, I agree to pay the City up to \$1,000 for half of the right-of-way.

I do not want to own half of the right-of-way, which will allow my neighbor on the other side of the right-of-way to have the opportunity to own all of the right-of-way.

MEMORANDUM

December 4, 2012

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator *Eric*
Vernon Gerth, Assistant City Administrator for Community and Economic Development
Catherine Powers, Planning and Sustainability Director
Kelly Dannenfelser, Part-Time Principal Planner

SUBJECT: Resolution 2012-46, A Resolution Abandoning a Portion of the Rights-of-Way (ROW) of Bradford Drive, Cothran Drive and Davidson Drive within the Rolling Meadows Subdivision of the City of Franklin, Tennessee

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information regarding a resolution to abandon a portion of the ROW along Bradford, Cothran, and Davidson Drive in the Rolling Meadows Subdivision.

Background

City staff held a meeting with the adjacent property owners in March 2012 and all twelve property owners are requesting that the City vacate the ROW.

Staff evaluated this request based on the following criteria:

- 1) There is no existing public transportation infrastructure in the ROW;
- 2) The ROW is not needed for future public transportation infrastructure;
- 3) Vacating the ROW serves the public interest through improved utilization of the land; and
- 4) It reduces the City's maintenance liability on land not needed for a public purpose.

To fairly and consistently handle the disposal of this ROW, properties should be vacated equally (50/50) to adjacent property owners. In this case, eleven property owners have agreed to accept half of the adjacent ROW with the eleventh agreeing to accept all (100%) the ROW.

Financial Impact

The property owners have agreed to reimburse the City for the costs associated with the property transfer. Therefore, there is no direct cost to the City associated with this request.

Options

BOMA may approve, reject or amend the proposed resolution.

Recommendation

Approval of the Resolution 2012-46 is recommended.
