APPLICATION AND BUDGET CHANGES/SPECIAL CONDITIONS

GRANT NUMBER:	BEGINNING DATE:	ENDING DATE:
47-12-CW-2011	September 1, 2012	August 31, 2013

The terms of the grant award include the following special conditions necessary to obtain the objectives of the grant, facilitate administration of the grant, and to protect the interests of the Federal Government. Grantee noncompliance with these terms and conditions and the requirements of Office of Management and Budget (OMB) Circulars A-102 and A-87 will cause disallowance of costs incurred under the grant. In addition to other lawful remedies, in the event of noncompliance with any grant conditions, the grant may be suspended, terminated or annulled pursuant to OMB Circular A-102 (see 43 CFR 12.83-12.84).

The grantee shall not assign or otherwise transfer final responsibility for this Grant Agreement, the grant, or the project to any third party. The execution of subcontracts shall not alter or modify the obligations of the grantee. However, the grantee may subcontract for performance of project-related work summarized in this Grant Agreement. The grantee must administer this grant award free from conflict of interest, bribery, "kickbacks," cost-plus-a-percentage-of-costs contracts, and other procurement practices prohibited by 43 CFR 12.76.

Special Condition #1, Limitations on Grant Expenditures. The term of availability of these grant funds is from September 1, 2012, through August 31, 2013. All costs incurred must be billed to NPS by November 30, 2013. Expenses charged to this grant may not be incurred prior to the beginning date specified above, or subsequent to the grant end date specified above (unless the Grant Agreement's end date is formally extended in writing by NPS). Such expenditures may not exceed the maximum limits shown on this grant award, or amendments subsequently approved in writing by NPS. The grantee assumes fiscal liability, without recourse to NPS, for commitments that exceed the funds provided in the Grant Agreement.

Special Condition #2, Preagreement Costs. Preagreement costs consist of grant-related costs incurred prior to the start date of this grant agreement. In accordance with OMB Circular A-122, preagreement costs beginning April 1, 2012, incurred for the acquisition of the Neel Tract at Franklin Battlefield are hereby approved. Documentation of these preaward costs must be retained for review by the grantee's financial audit.

Special Condition #3, Allowable Costs: All costs charged to the grant must be directly related to and necessary for the achievement of the approved objectives and budget of this grant, as specified in Grant Condition #15, below, unless an amendment is approved in writing by NPS. Expenses charged must be incurred only for eligible costs in accordance with OMB Circular A-102 and OMB Circular A-87; and supported by approved contracts, purchase orders, requisitions, bills, or other evidence of liability consistent with generally established purchasing procedures and generally accepted accounting principles.

Special Condition #4, Non-Federal Matching Share: At least \$112,800 in eligible non-Federal matching contributions that are allowable and properly documented in accordance with 43 CFR 12.64 must be used during the grant period to share the costs for this grant. Failure to use the required non-Federal matching share will result in the disallowance of costs reimbursed, and/or the de-obligation of remaining unexpended funds.

Special Condition #5, Fundraising Costs: In accordance with OMB Circular A-87, Attachment B, Item 21, costs of fundraising are not eligible costs chargeable to the grant for reimbursement or as eligible non-Federal matching share contributions.

Special Condition #6, Lobbying Prohibitions. Costs associated with activities or any form of communication designed to influence in any manner a Member of Congress to favor or oppose any legislation or appropriation are unallowable as a charge to this grant. None of the funds awarded may be used to process any grant or contract documents which do not include the text of 18 U.S.C. 1913 prohibiting lobbying with appropriated funds. In accordance with Public Law 108-447 (the Fiscal Year 2005 Appropriations Act for the Department of the Interior and Related Agencies), recipients shall not use any part of the appropriated funds for any activity or for the publication or distribution of literature that in any way tends to promote public support or opposition to any legislative proposal on which Congressional action is not complete.

Special Condition #7, Performance Reports:

A. Interim Progress Report:

The grantee agrees to maintain close liaison with the NPS throughout the grant period. NPS reserves the right to request meetings, upon reasonable notice, with grantee project staff at intervals during the course of project work. The grantee agrees to promptly notify the NPS should any of the following conditions become known to it:

- b) The need for adjustment (revision) to the project budget; and
- c) The lack of non-Federal matching share to meet the amount required by this Grant Agreement

An acceptable Interim Progress Report covering performance on this grant must be submitted by the grantee no later than February 28, 2013 unless the acquisition has been completed beforehand. Failure to submit an acceptable report by that date may result in suspension of funds or other administrative action.

B. Final Progress Report:

An acceptable Final Progress Report must be submitted within 90 days after the end date of the grant, in this case by November 30, 2013. Failure to submit an acceptable progress report by the date specified, and in the format prescribed by NPS, may result in suspension of funds or other action.

Special Condition #8, Prior Approval Requirements: The grantee may not, without written approval by the NPS grant awarding official (that official whose signature/title appears on the grant award document, or his designee), make changes in the approved scope of work or budget that would substantively alter the approved scope of work (43 CFR 12.70).

Special Condition #9, Debarment and Suspension: In accordance with Executive Order 12549 "Debarment and Suspension" the grantee and its subgrantees must not make any award or permit any award (by subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549.

GRANT NUMBER:	BEGINNING DATE:	ENDING DATE:
47-12-CW-2011	September 1, 2012	August 31, 2013

Special Condition # 20, Prohibition against Conversion: The purpose of this grant is to acquire and preserve, for future generations, the historical sites and hallowed ground of America's battlefields. Accordingly, Section 6(f) of the Land and Water Conservation Act requires that the land acquired with this grant shall not be converted to other uses without the express written consent of the National Park Service, but must be preserved in perpetuity. These provisions shall be included in any conveyance documents of land or interests in lands acquired under this grant. The grantee agrees that a permanent record shall be kept in the relevant public property records and be available for public inspection to the effect that this property was acquired with Federal assistance, and that it shall not be converted to other than preservation uses without the written approval of the NPS. The grantee further agrees, therefore, that the appropriate remedy in the event of a breach by the grantee of this agreement shall be the specific performance of this agreement, and that the amount of the grant cannot be repaid to negate the requirements of this agreement.

Special Condition # 21, Preservation Easement: In order to provide permanent protection of the historical values inherent in the battlefield lands acquired with the assistance of this grant, the grantee or sub-grantee, whichever is purchaser of the lands, must execute a perpetual easement on the acquired lands. The terms and conditions of that easement are subject to the approval of the National Park Service. The easement must be sufficient to prevent the development of the acquired lands for any purpose other than preservation and interpretation of the historic battlefield and/or accommodation of the visiting public through appropriate visitor center facilities. The easement must also govern the setting and design of any structures, roadways, parking areas, or other facilities that may be necessary for these permitted purposes. The grantee shall convey the easement to the State Historic Preservation Officer, or to another government agency approved by the National Park Service. A copy of the easement must be recorded with the property deed among the public property records of the jurisdiction in which the battlefield is located. In cases where a State government agency will acquire and manage the property, the State must enter into a letter of agreement with the NPS, stating the State will preserve and maintain the property and its historic features for future generations. This letter will be recorded with the deed for the property and will run with the land in perpetuity.

Special Condition # 22, Required Project Documentation For Funding: Prior to the expenditure of any funds from this grant to acquire real property, and at least 60 calendar days prior to the proposed closing date of any property purchase, the grantee must submit the following documentation to the NPS American Battlefield Protection Program:

- (c) an appraisal of the property to be purchased and a copy of the appraisal review approving the appraisal of the property to be purchased (the appraisal and appraisal review must comply with the requirements stipulated in Grant Condition #19 above);
- (d) a legal boundary description of the property with associated GPS boundary coordinates;
- (e) a draft copy of the preservation easement that incorporates the provisions required by the NPS. The draft must be submitted for NPS review (any revisions subsequently transmitted by NPS to the grantee must be incorporated into the easement prior to the purchase of the property and prior to recording of the deed);

SUBJECT: Resolution 2012-71 - The Neel Tract Land Acquisition Project

Purpose

The purpose of this memorandum is to provide information to the Board of Mayor and Aldermen (BOMA) regarding Resolution 2012-71, A Resolution Declaring The Intent Of The City Of Franklin To Act As A Governmental Pass-Through Entity For The Neel Tract Land Acquisition Project As Requested By The Civil War Preservation Trust.

Background

In May 2012, a request was received from the Civil War Trust for the City of Franklin to act as a government pass-through entity for the land acquisition project known as the Neel Tract. This tract is approximately .02 acres located on at Cleburne Street, immediately adjacent to the Assault on the Cotton Gin Site.

On August 29, 2012, the American Battlefield Protection Program notified the City of Franklin of approval of its grant application, in partnership with the Civil War Trust, for the acquisition of the Neel Tract at the Franklin Civil War Battlefield.

Resolution 2012-71 proposes the City act as the governmental “pass-through” for funds from the National Park Service that will be deposited with the City, and then forwarded to the Civil War Preservation Trust for its purchase of certain Civil War Battlefield land – the Neel Tract. The American Battlefield Protection Program grant amount is \$112,800.00.

As with past instances where the City has acted as a pass-through for land acquisition, the Resolution also provides that the City, through its Mayor and City Administrator, will execute an agreement with the Civil War Preservation Trust to provide for the fulfillment by the Civil War Preservation Trust of all requirements of any Grant Agreement with the National Park Service for the acquisition of this property. The role of the City would be the same as in past grants; i.e., the City has been notified in writing by NPS that all grant requirements have been met and that funds would be transferred to the City. The City will proceed to commence transfer of funds to the Trust.

Financial Impact

There is no anticipated financial impact to this agreement. As described in Resolution 2012-71, the City acting as a governmental pass-through for the purchase of this battlefield property is at no cost to the City.

Recommendation

Approval of the proposed Resolution is recommended.
