Our Mission:

The Pediatric Brain Tumor Foundation (PBTF) is a nonprofit charitable foundation whose purpose is to find the cause and cure of pediatric brain tumors through the support of medical research. In the process of seeking the cause and cure of childhood brain tumors, researchers are discovering new therapies that are prolonging the lives of children. Much of the technology now exists in the premier medical laboratories to find the answer to this killer disease. The problem is that scientists lack the funding to complete the long-term research needed to find both the answer to stop this disease and the therapies needed to ultimately save the lives of those already afflicted.

Our Contribution:

Brain tumors are the deadliest of all childhood cancers. Thankfully, the research dollars invested in childhood leukemia have brought that disease to a much more manageable position for the medical community. Brain tumors, however, continue to have a high fatality rate—just as leukemia did before vigilant research.

The Research:

To ensure that the research we fund is of the highest possible caliber, the foundation solicits grant requests from the nation's leading brain tumor research institutions. These applications are subject to an extensive peer review by our Scientific Advisory Board. Its recommendations are forwarded to the Board of Directors for final consideration and approval.

In 1985, a child diagnosed with a medulloblastoma had a life expectancy of five months. Today 51 percent of the children diagnosed survive beyond five years. Our goal is that all children with brain tumors live into adulthood. Long-term survival, however, requires new research, both into the long-term effects of treatments and issues about quality life. A significant amount of that investigation is being conducted with funds raised by the Ride for Kids® program.

The Ride for Kids® Story:

Ride for Kids® events are motorcycle rides that help raise funds for childhood brain tumor research. Hundreds of motorcyclists collect donations throughout the year to contribute to the cause. At each event, they gather along with volunteers, staff members, brain tumor patients, survivors and their families, researchers, and physicians for the Celebration of Life program—a huge family support meeting that vividly demonstrates the motorcycling community's caring support and the critical need for research.

Enclosure:
Addendum

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 507(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

THE PEDIATRIC BRAIN TUMOR

Our records have been updated to reflect your November 14, 1994 name change from Ride For Kids Foundation, Inc. to the name in the heading of this letter.
