**TO:** Capital Investment Committee

**FROM:** Eric S. Stuckey; City Administrator

David Parker, P.E.; CIP Executive; City Engineer Paul P. Holzen, P.E.; Director of Engineering Kevin E. Comstock; Traffic/ITS Project Manager

**SUBJECT:** Discussion Concerning the Projects Submitted for the City's 2014 Transportation Improvements

Program (TIP) Application.

## <u>Purpose</u>

The City of Franklin has been solicited for its input for the new FY 2014-2017 TIP by the Nashville Area Metropolitan Planning Organization (MPO). This document will discuss the actions taken by staff to address this request.

## **Background**

The Nashville Area Metropolitan Planning Organization is required to develop a fiscally restrained Transportation Improvements Project (TIP) List every three (3) years. Projects on this list must come from the current adopted Regional Transportation Plan (RTP). The current 2035 RTP contains several projects that compete for available funding. The City of Franklin has been solicited for its input for the new FY 2014-2017 TIP. The projects submitted for consideration in the FY 2014-2017 TIP were:

RTP # or TIP #	PROJECT	TERMINI	DESCRIPTION	TOTAL	FEDERAL 80%	STATE	LOCAL 20%
126	Columbia Ave	Mack Hatcher (SR 397) to Downs Blvd	Widen 3-5 lanes add sidewalks curb and gutter. 1.4 miles. (PE, NEPA, ROW & CONST)	\$21,000,0 00	\$16,800,0 00	\$0	\$4,200,00 0
131	Lewisburg Ave Phase 1	Mack Hatcher (SR 397) to Holly Hill Drive	Widen 2-4 lanes to include bike lanes, sidewalks and ITS. 1.8 miles (PE, NEPA, ROW & CONST)	\$23,800,0 00	\$19,040,0 00	\$0	\$4,760,00
131	Lewisburg Ave Phase 2	Holly Hill Drive to Old Peytonsville Rd	Widen 2-4 lanes to include bike lanes, sidewalks and ITS. 1.0 mile (PE)	\$1,000,00 0	\$800,000	\$0	\$200,000
131	Lewisburg Ave Phase 3	Old Peytonsville to Goose Creek Bypass	Widen 2-4 lanes to include bike lanes, sidewalks and ITS. 0.5 mile (Developer Designed \$ Built)	\$5,300,00 0	\$0	\$0	\$5,300,00 0

135	Mack	SR 96 E to	Widen from 2 to 4 lanes.	\$29,500,0	\$29,000,0	\$0	\$500,000
