MEMORANDUM

February 1, 2013

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator *Eric*
Vernon Gerth, Assistant City Administrator for Community and Economic Development
Catherine Powers, Planning and Sustainability Director

SUBJECT: Ordinance 2013-06, an ordinance to rezone ± 1.08 acres from Civic Institutional (CI) to Central Commercial (CC) for the property located at 510 Columbia Avenue (Five Points Building)

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information regarding an ordinance to rezone ± 1.08 acres from Civic Institutional (CI) to Central Commercial (CC) for the property located at 510 Columbia Avenue (Five Points Building).

Background

This ordinance was favorably recommended to the BOMA by the Planning Commission with a 8-0 vote at the January 24, 2013, FMPC Meeting. The project information and comments from the FMPC staff report are included below.

LAND USE PLAN RECOMMENDATIONS

The Central Franklin Character Area is approximately 4,000 acres and is centrally located in Franklin. The area contains a wide mix of land uses. The predominant use is residential; however, commercial retail, institutional, office and limited industrial areas are mixed in the area. The most diverse area is the historic downtown core which contains uses of all categories. The area has a historic commercial character. Commercial, institutional and residential structures at a scale of 2 to 3 stories exist. Buildings have a strong relationship to the street frontage and are scaled to the pedestrian.

Commercial uses are to be concentrated in this area to promote a vibrant downtown core while protecting the residential character of the surrounding area. Existing civic and institutional uses are encouraged to remain and future civic and institutional uses are encouraged. Significant civic institutions, such as City Hall, should be located in the area.

PROJECT BACKGROUND:

This rezoning request is made for the property at 510 Columbia Avenue in order to accommodate possible retail and office uses on the property. As the Land Use Plan recommendations note above, the Central Commercial (CC) Base Zoning District is the most appropriate base zone for this property to accommodate these use types and would match the zoning of similar properties along Main Street and 5th Avenue South.
