David Rahinsky, Chief of Police

*It is the mission of the Franklin Police Department to create and maintain public safety in the City of Franklin. We do so with focused attention on preventing and reducing crime, enforcing the law, and apprehending criminals.*

The fact that the City maintains a national reputation as a safe and vibrant community is a testament to the dedication and professionalism of the sworn and civilian personnel of our agency. The Franklin Police Department is currently the eighth largest in the State, and continues to maintain amongst the lowest crime rate per capita in Tennessee. As the City continues to grow, the Department will keep evolving to exceed the needs and expectation of our customers and employees while delivering *professional, progressive, responsive* service to our community.

The Franklin Police Department is responsible for protecting our public from crime; investigating and apprehending lawbreakers; enforcing City ordinances and traffic laws; providing traffic control on our streets and at our schools; and providing information and education to our schools, citizen groups, and public about crime prevention, self-protection and the dangers of drug abuse.

In 2011, the Department introduced the *Mounted Patrol*, bringing a law enforcement tradition to a historic city. *Lieutenant Richard Verbosky* and *MP* continue to interact with residents and their children at City Parks and special events. The duo also patrols roads (and trails) less traveled, adding an increased level of security to 'off the beaten path' hikers and joggers.

We continue to improve our already stellar relationship with the Franklin Special School District by assigning *Officer Richard Cole* as a dedicated *School Resource Officer* at Freedom Middle School. His presence there, and at other district schools, has allowed us to improve communication between the Department and schools, staff, students, and their parents, resulting in enhanced safety and relationships.

The Downtown area walking patrols initiated in 2011 were so well received that we continue to expand them into other areas of the City conducive to walking a beat.

In 2009, our Department was the first police agency in Tennessee with the ability to receive anonymous inbound text message tips. Continuing the trend, in 2012 we became the first Police Agency in Tennessee to make its very own app available for Android and Apple phones. From the app, users can call Franklin Police, submit anonymous text tips, contact Department leaders, submit concerns, sign up to receive email and text message alerts, and see the latest FPD news and information. The app was developed by *Officer Chris Grant*, a member of the Department's *Traffic Unit*.

Our *Coffee with the Clergy* initiative that began in late 2011 continued into 2012, and today. During these quarterly informal continental breakfasts at Police Headquarters, our community's 'men of the cloth' collaborate with 'men of the badge.' These gatherings have proven successful, by allowing us to build relationships with area church leaders and their congregations.

The *Traffic Unit* spoke to 30 high school classes about the dangers of impaired and distracted driving, installed 233 child safety seats for parents, and partnered to provide 27 new car seats to needy families.

More than 380 impaired drivers were arrested on Franklin streets last year, making our City a safer place for everyone else on the road. To support our efforts, the Governor's Highway Safety Office awarded the Department with a \$50,000 grant, for the second consecutive year. The grant funding is used for anti-DUI initiatives such as DUI checkpoints, saturation patrols, training, and equipment.

Three police canines completed extensive training and were put into service, replacing two retiring dogs and bringing the total number of FPD Canines to four. In 2012, the Department's *K9 Unit* helped to take more than \$70,000 in illegal drugs off of Franklin streets.

The Department's *Flex Team* continues to be a viable component to the service and protection of the City. Of note, during this year's "*Not in our Mall*" operation, Flex Officers working with Brentwood Police and Galleria security teams, recovered nearly \$23,000 in merchandise shoplifted from the Galleria, arresting 72 offenders between Black Friday and Christmas.

Three juvenile suspects, wanted for causing upwards of \$5,000 in damage at Jim Warren Park were identified after officers responding to an activated burglar alarm gave chase to a suspect fleeing from an actual burglary in progress. The capture of that fleeing burglary suspect resulted in his confession, along with the identification and arrest of two juvenile accomplices responsible for the felony park vandalism.

Following the brutal attack of a guest at a local motel, officers quickly located and arrested the at-large attacker, charging him with Aggravated Rape and Aggravated Assault.

Officers arrested two Ohio men they found in possession of 27 fraudulent credit cards and two counterfeit driver's licenses at the Galleria. Arresting officers recovered approximately \$70,000 in merchandise that was purchased on bogus credit cards in Ohio, Nashville, and Franklin. Both suspects were held on bonds in excess of one-million dollars

Franklin Police developed and rolled out the *Good Neighbor Award Program* to recognize every-day citizens who go above and beyond to make a difference in our City. To date, officers have recognized 14 citizens. Events prompting the recognitions ranged from assisting strangers during medical emergencies to going above and beyond to provide timely information that led to the quick arrests of in-progress felony suspects.

In 2012, the Public Affairs Office handled nearly 1,500 media inquiries, issued 198 press releases, and conducted or coordinated 183 media interviews. This work resulted in more than 1,600 stories, many of which helped to identify otherwise unknown and at large suspects wanted for crimes in Franklin. Also of note is the fact that this team worked to increase FPD social media followership by 274%. In December of 2012, combined Twitter and Nixle subscribers that followed Franklin Police were 1,527; today, that number is more than 5,700.

The dedicated team in our *Training Section* provided State-required firearms and in-service training to our sworn staff. In an effort to maximize training opportunities while minimizing associated costs, they worked with outside training entities to host a variety of specialty schools at Headquarters. Doing so continues to reduce associated travel expenses, and has provided several free student slots for members of our Department in exchange for the use of Headquarters as the venue

In an effort to quantify and measure our performance in a manner that allows us to compare ourselves with other law enforcement agencies, the following performance measures are closely monitored:

Measurement/Goal	09	10	11	12
Number of Offenses	2,643	2,781	2,564	2,642
