

MEMORANDUM

February 28, 2013

TO:

Board of Mayor and Aldermen

FROM:

Eric Stuckey, City Administrator

Special Events Advisory Team

SUBJECT: Main Street Festival (April 27 – 28)

Purpose

The purpose of this memo is to outline recommendations for the Main Street Festival in Downtown Franklin.

Background

The event, organized by the Heritage Foundation and consisting of more than 220 arts/crafts vendors and entertainment, brings in an estimated 130,000 visitors to Franklin each year. The festival is scheduled for April 27th – 28th. On Saturday, April 27th, the event is scheduled for 10 a.m. to 10 p.m. Most of the arts & crafts vendors will close at 6 on Saturday; a "street party" will be held on Fourth Avenue (North and South) from 7 p.m. until 10 p.m. During this time, beer will be allowed outside the beer tent but confined to Fourth Avenue. Hours for the festival on Sunday, April 28th, are from 12 Noon to 6 p.m.

In previous years, the carnival has been held at Bicentennial Park. Because of the unavailability of Bicentennial (due to the Third Avenue Extension project), the Heritage Foundation has requested the use of Harlinsdale Farm for the carnival. The Parks Department recommends denial of this request due to the conservation easement that currently exists on Harlinsdale, a historic and passive park. Another concern is the impact these activities could have on the property itself as well as properties adjacent to the Park.

Recommendations

Staff recommends approval of the event with the following conditions:

- Applicant will provide detailed map/layout to City detailing location of tents, vendors, etc. at least 15 days prior to event.
- Applicant will provide a \$1,000 damage deposit to City prior to event.
- Applicant will provide volunteers to monitor the City Hall Admin hallway throughout the event
- Due to the several road projects occurring in the City, applicant will look into Park and Ride
 options at various locations for the event. Staff will work with Heritage Foundation to promote
 these locations.
- Church Street Parking Lot will be closed for official vehicles only.
- The Old Jail property can be used for vendor parking.

- Applicant will use the lobby are in City Hall to allow vendors to sign-in beginning at 8 p.m. on April 26th.
- When arriving for set up, vendors must enter the area via Third Avenue South. All vehicles must be out of the area no later than 9 a.m. Vendor vehicles will not be allowed back in the area until the festival ends on Sunday, April 28th

Parks Department:

- Parks Department has denied request for carnival at the Park at Harlinsdale Farm (see attached memo).
- Applicant must provide staffing for Park and Ride at Harlinsdale. Parks Department will meet with applicant onsite prior to the event to go over parking logistics.

Risk Management:

- Applicant will provide certificate of insurance with liquor liability naming the City as additional insured.
- Any accidents or injuries occurring during the event should be reported to City representatives immediately.
- Vendor vehicles will be easily identifiable with placard or flyer in windshield which contains vendor name and booth number.
- In Kids Area on Third Ave North, rides/activities must not extend all the way to Bridge Street. There should be a buffer of at least 20 feet from where the rides end to the barricades at Third & Bridge.
- If there's a train in the Kids Area as part of the activities, it should not exit the event area and/or enter into traffic with passengers on board.
- Applicant will provide placard or weather-proof flyer on each tent/booth/vendor space that easily identifies the booth (corresponds to map/layout).
- Applicant will provide Emergency Evacuation Plan for Main Street Festival and the Carnival 15 days prior to event.

Police Department:

- Applicant will hire at least nine (9) extra-duty Franklin Police Officers to provide security.
- Police Department Explorers and Volunteers will assist with the event at no charge to applicant.
- Incident Command Vehicle will be onsite throughout the event.
- Applicant will have private security monitoring the Beer area.
- Applicant has requested amplification on stages at the following locations for the permitted area:
 - o Fourth Avenue North
 - o Fourth Avenue South (Beer Tent)
 - o City Hall (stage located off the Square in front of City Hall)

Pursuant to Franklin Municipal Code Section 11-403(3), these are the only locations at which amplified sound will be permitted during this event.

Revenue Management:

Applicant must obtain a Beer Permit from the City's Beer Board.

Applicant will provide a complete list of vendors to the City prior to the event.

- Variable Message Machines will be placed on April 22nd or 23rd
- Department will provide clean-up crew for after the event.

Building & Neighborhood Services:

• Special Event Electrical Permit will be required.

Solid Waste Department:

- Department will provide crew for cleanup during event.

- Applicant will use grease hauler for food vendors and notify Department of location of bins.

 inspection purposes. All tents shall be secured with weights to prevent movement in wind
 conditions.

SUBJECT:

Franklin Main Street Festival Carnival Application

PURPOSE:

The purpose of this memo is to address the request for use of the Park at Harlinsdale Farm for the annual Franklin Main Street Festival Carnival.

BACKGROUND:

The City entered into a conservation easement for the Park at Harlinsdale Farm approximately (7) seven years ago with the Land Trust of Tennessee. As always, the Parks Department accepts all inquiries regarding special events but, unfortunately, there are certain parks that cannot accommodate certain activities. Harlinsdale Farm is more of a passive park with historical significance and a carnival of this magnitude could have a negative impact. In the past, Bicentennial Park was the perfect location as it is close in proximity to Main Street and allowed for easy access to and from the festival. Unfortunately, the 3rd Ave extension project is currently underway, removing the accessibility of the carnival's site.

RECOMMENDATION:

The Parks Department requested The Land Trust of Tennessee review the carnival application and whether the event was suitable for this park. I am in agreement with their assessment that this type of activity would not be allowed per the conservation easement (see below). Every potential event such as this could set precedence for future special events and as the Parks Director; I want to always be mindful of what the impact (positive or negative) could have on the property, properties adjacent to the park and the overall parks system. Therefore, after careful review, the Parks Department recommends not approving this request.

Thank you and if I can be of further assistance, please do not hesitate to contact me.

WHEREAS, Grantor has agreed to convey to Grantee a conservation easement in the Property for the purpose of assuring that under the perpetual stewardship of Grantee, the equestrian activities and related agricultural uses, the open space character, educational value, wildlife habitat, recreational uses, historic significance and scenic values of the Property will be conserved and maintained permanently, and that the uses of the Property that are inconsistent with these conservation purposes will be prevented or corrected.

WHEREAS, the Grantor contemplates that in addition to activities incident to a passive public park, the following uses shall be permitted (herein collectively, "Additional Permissible Uses"):

- equestrian activities, including maintaining, boarding, training, recreational riding, polo events, and public showing and/or public exhibition of horses (the "Equestrian Activities")
- agricultural uses related to Equestrian Activities, including raising and storing of hay and feed products, construction and use of barns, stables, and fenced riding areas
- development of trails for horseback riding
- community garden
- cross-country and mining trails
- fishing
- composting
- greenhouse
- farming
- storm water demonstration area
- outdoor education area
- an arboretum

Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in April 1970, granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section 509(a)(2).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

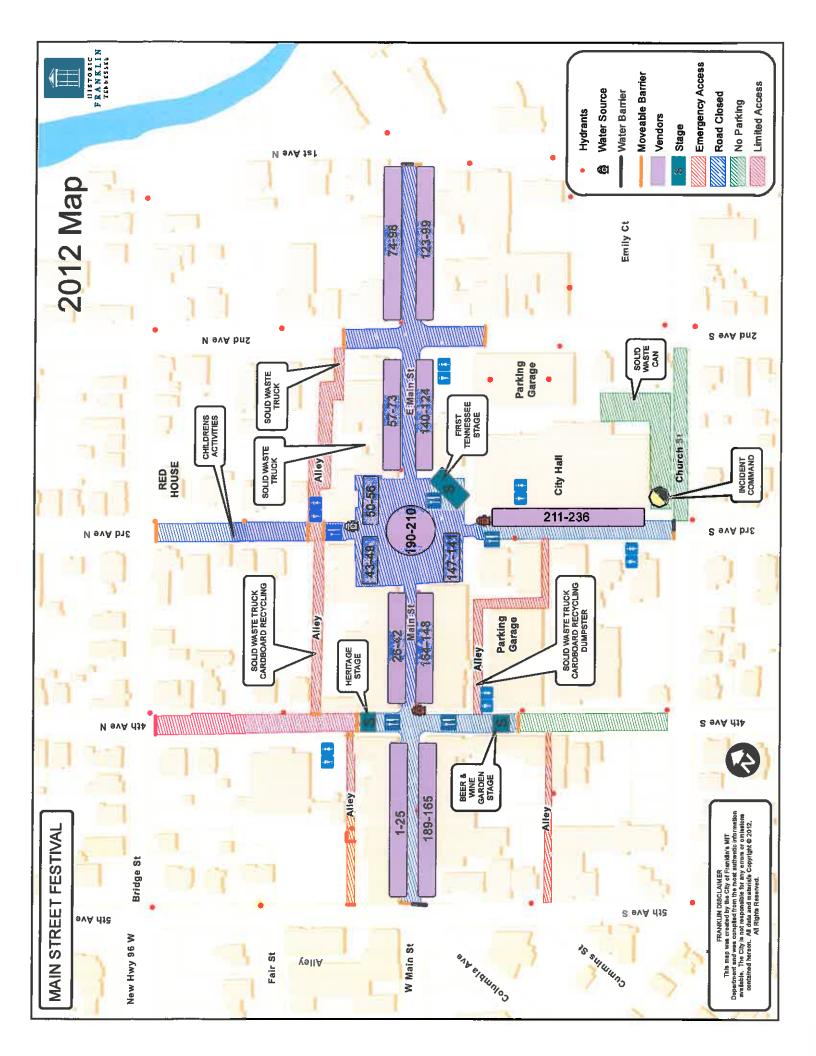

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely.

John E. Ricketts, Director, TE/GE Customer Account Services
