# MEMORANDUM

March 29, 2013

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator *Eric*  
 Vernon Gerth, Assistant City Administrator for Community and Economic Development  
 Catherine Powers, Planning and Sustainability Director

SUBJECT: Ordinance 2013-12, an Ordinance to rezone ± 0.96 acres from Low Residential (R-1) District to Residential Variety (RX) District for the property at 711 Hillsboro Road

**Purpose**

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information regarding an Ordinance to rezone ± 0.96 acres from Low Residential (R-1) District to Residential Variety (RX) District for the property at 711 Hillsboro Road.

**Background**

This ordinance was favorably recommended to the BOMA by the Planning Commission with a 8-0 vote at the March 28, 2013, FMPC Meeting. The project information and comments from the FMPC staff report are included below.

### LAND USE PLAN RECOMMENDATIONS

The Central Franklin Character Area is approximately 4,000 acres and is centrally located in Franklin. The primary development pattern of Special Area CFCO-4 is conventional. The Hillsboro Road area mostly consists of established, detached residential subdivisions with homes on larger lots. Neighborhoods reflect a low to medium density. The presence of open space, in the form of larger lots and building setbacks, contributes to the character of these areas. A limited amount of attached residential, civic and institutional uses are also present.

Remaining infill that occurs on properties in this area will reflect the existing character. These areas will remain important gateways and corridors into Central Franklin. Residential uses, including both detached and attached residential, will remain the predominant land use in the future. Future commercial, civic and institutional uses will occur in nodes located at major intersections of collector or arterial streets. Future commercial uses should be permitted at the intersection of Hillsboro Road and Del Rio Pike.

Established single family residential uses along Hillsboro Road should be preserved and commercial intrusion and attached residential uses should be discouraged.

**PROJECT BACKGROUND:** This rezoning request is made for the property at 711 Hillsboro Road in order to accommodate one additional detached single family dwelling unit on the property. As the Land Use Plan recommendations note above, compatible infill development is appropriate for this special area and the RX Zoning District can accommodate this request under current zoning requirements.

### PROJECT REVIEW

**STAFF RECOMMENDATION:** Favorable recommendation to the BOMA.
