RE: 2013 Tank Maintenance Project

Midco Diving & Marine Services, Inc. is pleased to provide the following proposal to perform the scope of work outlined below.

All diving operations are fully insured for **"Commercial Diving Operations"** including General Liability and Workman's compensation. **Verifiable Certificates of Insurance** are ~~available upon request~~ *attached.* Midco Diving & Marine Services, Inc. is in full compliance with OSHA 29 CFR 1910, Subpart T - Commercial Diving Operations regulations. OSHA specifies that the minimum acceptable dive crew size is three qualified divers. Not all firms are complying with this mandate and continue to use two person dive crews or unqualified personnel; please be aware of this when evaluating our proposal. Further, prior to commencing work, and if requested, we will provide your firm with copies of personnel and equipment certifications which meet or exceed those mandated by OSHA, specifically;

Diver training – from accredited commercial dive school (each dive team member)

Association of Diving Contractors International (ADC) Commercial Diver Certification Cards indicating each dive team member's qualifications and competency level as defined in the ADC Consensus Standards

Current First Aid/CPR training (each dive team member)

Annual medical examination determining diver is fit to perform assigned tasks (each dive team member)

Air purity test for breathing air source(s) – tested every 6 months

Breathing gas supply hoses – tested at least annually to 1.5 times their working pressure.

Depth gauges – calibrated every 6 months

Inspection

An inspection with a live video recording will be made along with written documentation of all findings in the tank in a written report. Inspection procedures include.

- Inlet and outlet
- Overflow
- Roof and Roof hatch
- Walls and floors
- Baffle/support walls
- Interior ladders
- Roof vents
- Exterior coatings
- Exterior ladder & rails
- Sumps
- Internal plumbing
- Joints and seams
- Interior coating
- Telemetry
- Sediment depths

Cleaning

Remove up to two inches (2") of accumulated material from the storage tank floor using underwater vacuum procedures as needed. Any material that cannot be removed by normal vacuum procedures or material in excess of two inches (2") (____) will be removed for an additional charge with a firm price given while on site. Material such as sand, gravel and concrete is considered debris and will be removed by hand at an additional charge (____). All discharged materials including water are the responsibility of the owner unless prior arrangements are made.

Cleaning & Inspection Pricing	\$11,996.00
Discount for DVD Inspection Only – No Written Report	(\$800.00)
Net Cleaning & Inspection Pricing with DVD Only	\$11,196.00

This quote and pricing is valid for Thirty Days (30). Terms are net 10 days for completed on site work; ~~interest at 1.5% per month on any unpaid balance.~~ Any fees required to obtain a city business license will be added to the final invoice at the current city rate plus appropriate markup. Pricing is also contingent on utility personnel working with our scheduling department to complete the project in timely and proficient manner which includes potentially working over a weekend. Although we strive to work with utility personnel in regards to scheduling availability, some instances necessitate weekend access. All Midco Diving quotes are subject to availability of personnel and equipment; upon approval have this signed and faxed back to 800-238-0217 to confirm scheduling.

This quotation has been prepared exclusively for your firm. ~~The contents of this quotation are considered confidential and are not to be divulged to third parties.~~ This quotation has been prepared using information provided by your firm/utility. Incorrect or inaccurate information used for estimate purposes or that delays progress could influence your final price. Interruptions in the work progression, not in control of Midco Diving & Marine Services, Inc. may also affect your final pricing. If Midco Diving & Marine Services, Inc is unable to complete the work as described above due to tank access, water levels, safety issues, etc. a nominal trip fee may be charged.

Sincerely,

AJ Vela
