### ACORD Certificates of Liability Insurance

In September 2009, ACORD revised the ACORD 25 Certificate of Liability Insurance form. *One of the major changes was the removal of the cancellation notice provision.* For the following reasons, we are unable to issue an older edition of this form, modify the current form, or complete a proprietary form you provide:

- ACORD certificate forms must be filed and approved for use in some states. When a new form is approved, prior versions can no longer be used. Therefore, it may be illegal for us to issue anything other than the currently approved ACORD form in these states.
- Notice of cancellation is a policy right, not an unregulated service. No insurer is able to provide the exact cancellation notice you desire by endorsement. For example, **the Named Insured can cancel a policy immediately with no advance notice to the insurer**, so it would be impossible for the insurer to give you the notice you request. **State laws also grant the insurer the right to cancel for reasons such as nonpayment with less notice than you may require.**
- For the reason just cited, if our agency issued a certificate that provides the cancellation notice you request, we would do so with the full knowledge that it would be impossible to actually give that amount of notice under certain circumstances. As such, **the certificate could be alleged to constitute a misrepresentation or fraud which could subject our agency and staff to serious civil and criminal penalties.**
- If a certificate purports to provide a policy right different from that provided by the policy itself, then the certificate effectively purports to be a policy form. Policy forms must be filed and approved by our state department of insurance. **Use of non-filed policy forms is illegal** and could result in legal sanctions distinct from the assertion that the certificate is fraudulent.
- Under the ACORD Corporation's licensing agreement, the prior editions of superseded forms can be used for one year from the time the new forms are introduced. Beginning in September 2010, this is another reason we cannot use an older edition of the ACORD 25. Doing so would **violate ACORD's licensing agreement and, as a copyrighted document, federal copyright law.**
- Likewise, we are unable to modify the new certificate to add a notice of cancellation. **ACORD forms are designed to be completed, not altered.** ACORD's Forms Instruction Guide says that a certificate should not be used "To waive rights...To quote wording from a contract...To quote any wording which amends a policy unless the policy itself has been amended." Also, since some states require ACORD forms to be filed, any alteration to a filed form would require its re-filing. In addition, **insurance company contracts allow us to issue unaltered ACORD forms. Therefore, we cannot issue any proprietary certificates that have not been reviewed by the appropriate state insurance department or pre-approved by all insurers.**

We appreciate your understanding of the legal restrictions on our ability to modify an ACORD form, issue other editions of the form, or complete a proprietary form.
