MEMORANDUM

May 29, 2013

TO: Board of Mayor and Aldermen

FROM: Eric S. Stuckey, City Administrator
Paul P. Holzen, Director of Engineering
Katie Rubush, Staff Engineer II

SUBJECT: Sewer Availability Request for 1350 Ascot Lane (Map 890 Parcel 01600)

Purpose

The purpose of this memorandum is to forward to the Board of Mayor and Aldermen (BOMA) a request for sanitary sewer availability for 1350 Ascot Lane (Map 890 Parcel 01600).

Background

A request for Sanitary Sewer Availability (1-SFUE) for 1350 Ascot Lane (Map 890 Parcel 01600) was submitted on 4/22/2013. The property is located near City Limits and within the Urban Growth Boundary. The property is located in the Goose Creek Basin and is near City Sewer. The applicant is aware that the cost of the sewer extension will be at the owner's expense and the alignment of the sewer will be dictated by the City. **The property owner is requesting that this availability be approved.**

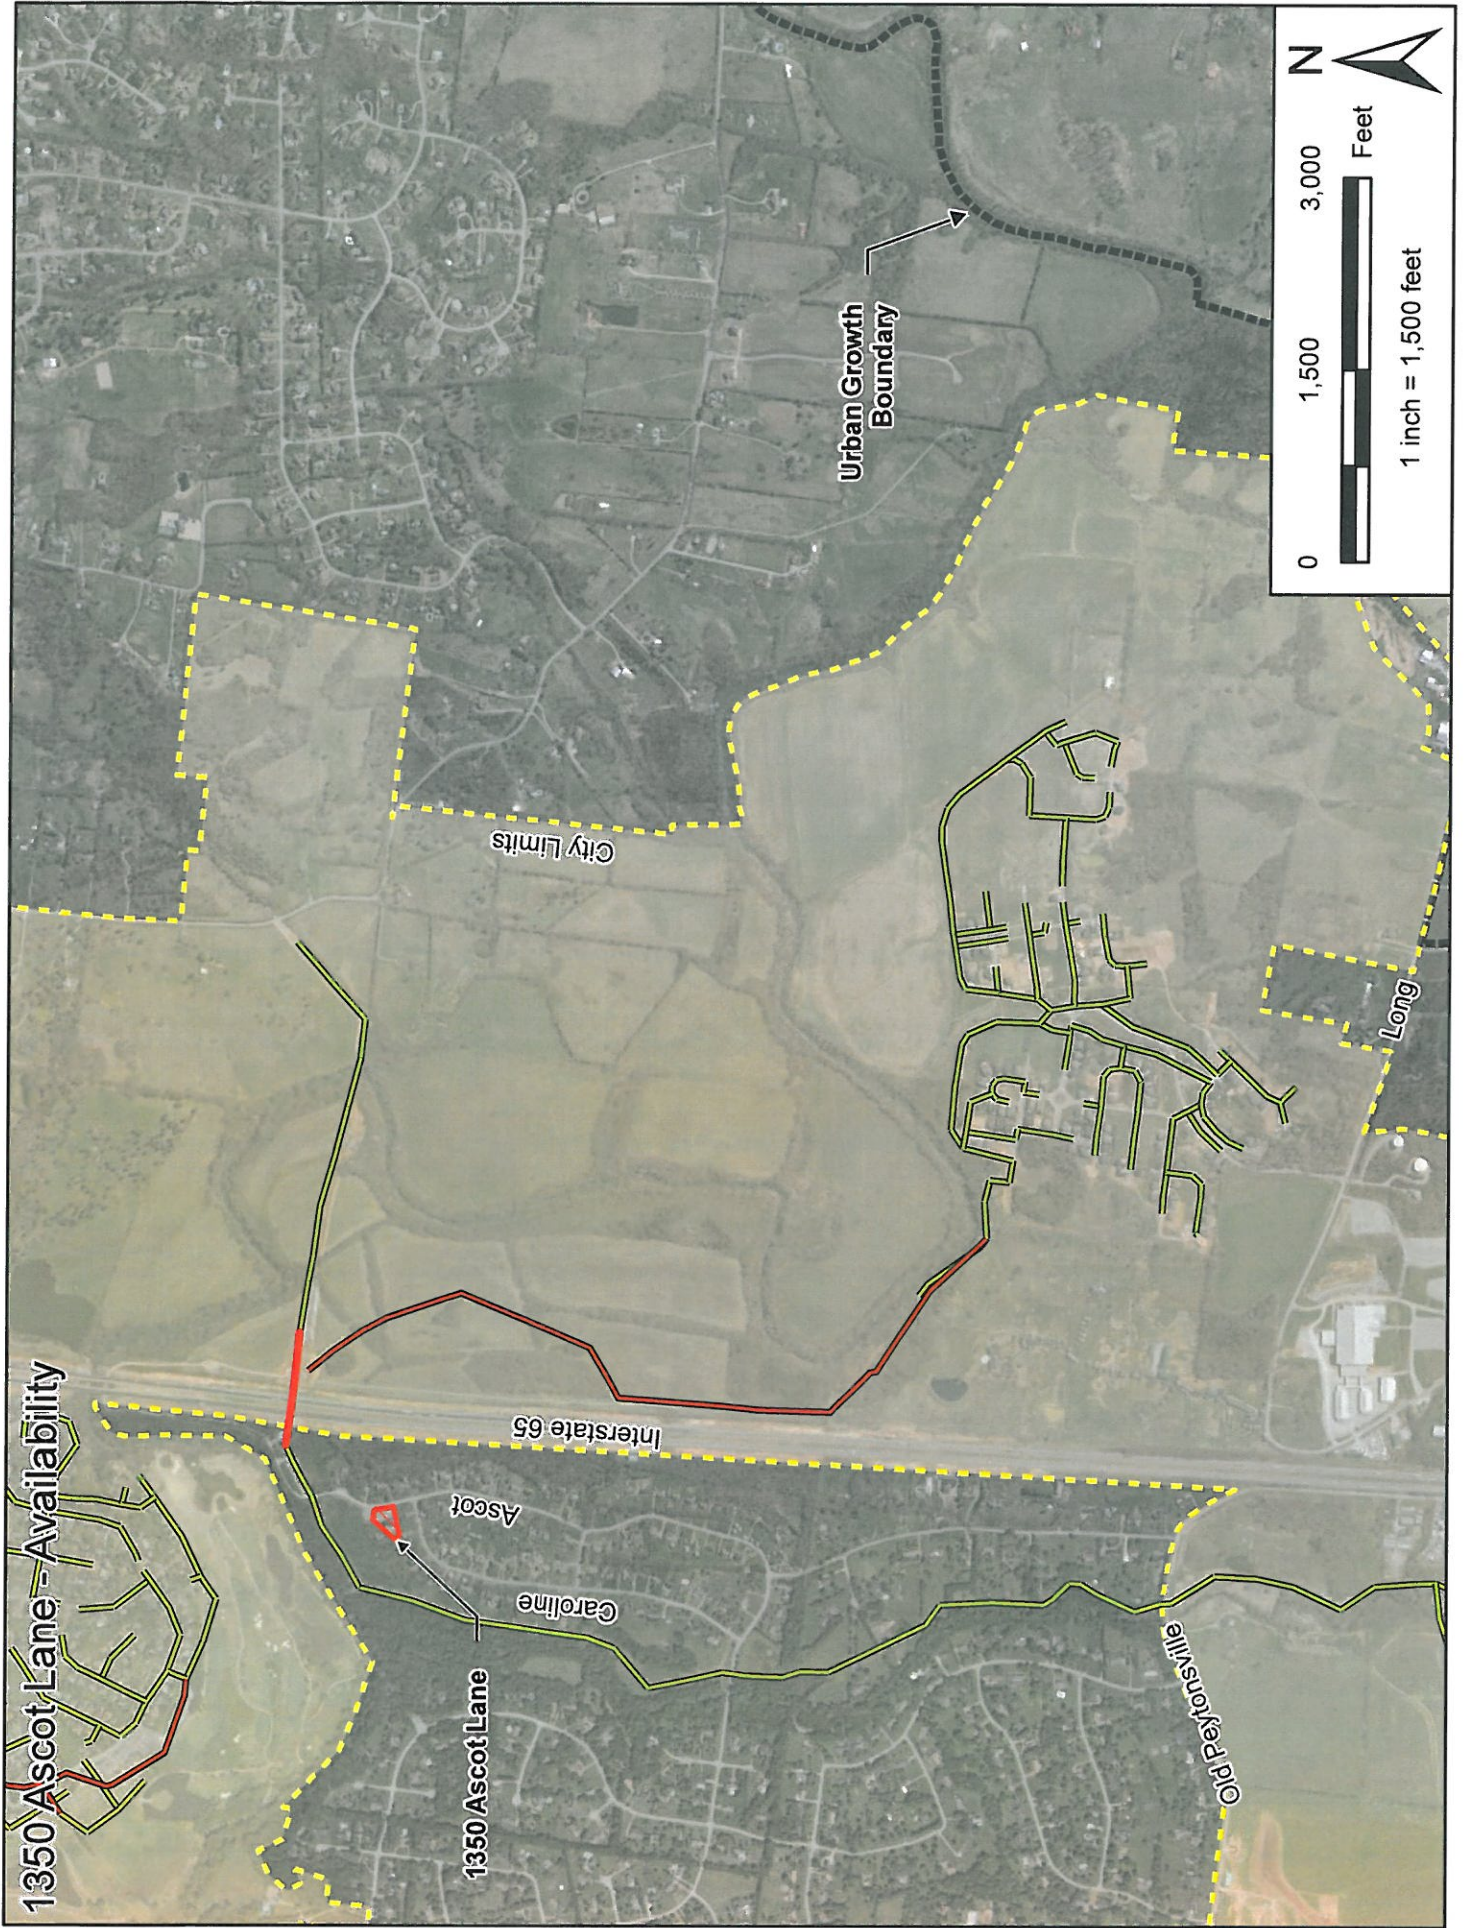

It has been the Board's policy to require properties located outside of the City Limits and requesting more than 1 SFUE to also require annexation. This property however, is for only 1 SFUE.

Financial Impact

None.

Recommendation
