SUBJECT: Ordinance 2013-21, An Ordinance to Rezone ±36.00 Acres From Local Mixed-Use District (ML) to Civic and Institutional District (CI) for the Property Located at 1228 Liberty Pike.

**Purpose**

The purpose of this memorandum is to provide the Board of Mayor and Aldermen with information regarding an ordinance to rezone ±36.00 acres from Local Mixed-Use District (ML) to Civic and Institutional District (CI) for the property located at 1228 Liberty Pike.

**Background**

This text amendment was unanimously recommended (7-0) by the Planning Commission at the May 23, 2013 FMPC meeting.

**LAND USE PLAN RECOMMENDATIONS**

This area encompasses 6,680 acres and two major interchanges with I-65: Cool Springs Boulevard and Murfreesboro Road, and part of a third interchange, at Moores Lane. The McEwen Drive interchange is also proposed. It is bound on the north by the UGB, to the west by the Berrys Chapel and Central Franklin Character Areas, to the south by the Harpeth River, and to the east by the Seward Hall Character Area. The McEwen Area is the principal regional commercial area in the UGB. It includes 3,713 acres and nearly 12 million square feet of commercial, office and industrial space. It is also the principal location for Attached Residential. This area is clearly the major economic engine for the City.

The Carothers Parkway area is the backbone of a major employment corridor and is planned for connection to Murfreesboro Road to the south. This corridor is enhanced by landscaped medians and landscaped parking lots.

**SPECIAL AREA 4**

1. A mixture of Attached and Detached Residential and Neighborhood or Local Retail uses is recommended, either in separate structures (proximate mixed uses) or with multiple uses in the same building on different floors (vertical mixed uses).
2. Retail uses, mid-rise commercial and hotels should be of higher intensity adjacent to I-65 and transition to less intensive uses further away from the interstate.
3. Local Retail may be located as a transitional land use between the Regional Retail and surrounding residential neighborhoods.
4. Attached Residential is also appropriate as a transition to residential uses to the east.
5. All —big box retail shall be located west of I-65.

**PROJECT BACKGROUND:**

This request relates to the rezoning of the property at 1228 Liberty Pike, by the City of Franklin, and will contain the future Columbia State Community College (CSCC). Over the past year, the City has worked with representatives from CSCC to prepare for eventual construction on the site. Since the site will contain an institutional use, the City is rezoning the property to CI, the most appropriate district for this use.
