## MEMORANDUM

---

August 15, 2013

**TO:** Board of Mayor and Aldermen

**FROM:** Eric S. Stuckey, City Administrator  
Russ Truell, Assistant City Administrator/CFO

**SUBJECT:** Regional Transportation Authority Agreement (Contract 2013-0129)

### **Purpose**

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information to consider a service agreement with the Regional Transit Authority regarding express bus service between Franklin and Nashville.

### **Background**

The Regional Transit Authority (RTA) has provided express bus service between Franklin, Brentwood and Nashville for the past three years. Funding for this service is primarily provided by RTA, supplemented by a federal transportation grant and small supplements from the City of Franklin, the City of Brentwood, and Williamson County.

At the end of Fiscal Year 2013, the supplemental funding from the federal transportation grant expired and the local share increased from approximately \$6,000 per year to the current amount of \$29,537. Because this local share amounts to less than \$1 per trip based on the number of rides provided in the last measured period, local funding for this service was recommended by staff, included in the City's FY13-14 budget, and approved by BOMA on June 25, 2013.

RTA has requested that we approve a formal contract to satisfy their reporting requirements. The contract covers the period from July 1, 2013 through June 30, 2014.

### **Financial Impact**

No financial impact is expected beyond the funding level included in the FY14 adopted budget.

### **Recommendation**

Staff recommends approval of the agreement, subject to final review by the City Attorney and City Administrator.
