LAND USE PLAN RECOMMENDATIONS

The Central Franklin Character Area will continue to function as the central core having a unique quality that capitalizes on the history of the area and the diversity of the land uses. The area's small-town identity will be preserved by making attention to massing and scale a priority. Neighborhoods and existing residential uses will be protected by providing a consistent appearance and quality within and outside the Historic Preservation Overlay.

Compatible infill development is encouraged in the downtown core with attention to context sensitive design, particularly with respect to existing residential uses and structures. The area will include a diversity of housing choices, including mixed income housing.

The area consists of a mixed use commercial corridor with traditional neighborhoods that surround. Commercial and institutional uses are located along Columbia Avenue. Located to the east of Cummins Street are established traditional neighborhoods. The historic Hincheyville and Natchez neighborhoods are located to the west. The area is contiguous to the downtown core and is positioned to receive additional redevelopment and infill in the future. Future development should reflect the character of the area, including traditional elements found in the downtown core.

Columbia Avenue has developed with mix of commercial, civic, institutional and residential uses. Located to the south of Fowlkes Street is a node of important historic and civic uses that includes the Carter House and Williamson County Community Services Center. Future uses will include commercial, but retail is limited to local and neighborhood retail. Attached and detached residential and civic and institutional uses are considered appropriate. Accessory dwellings are appropriate in the area.

PROJECT BACKGROUND:

This request is to rezone the property at 411 Cummins Street from R-6 to RX to permit residential densities as proposed through the PUD Development Plan process. Please see the recommendations above that apply to this Special Area from the Franklin Land Use Plan.

FRANKLIN MUNICIPAL PLANNING COMMISSION (FMPC) PROCESS AND PROCEDURES

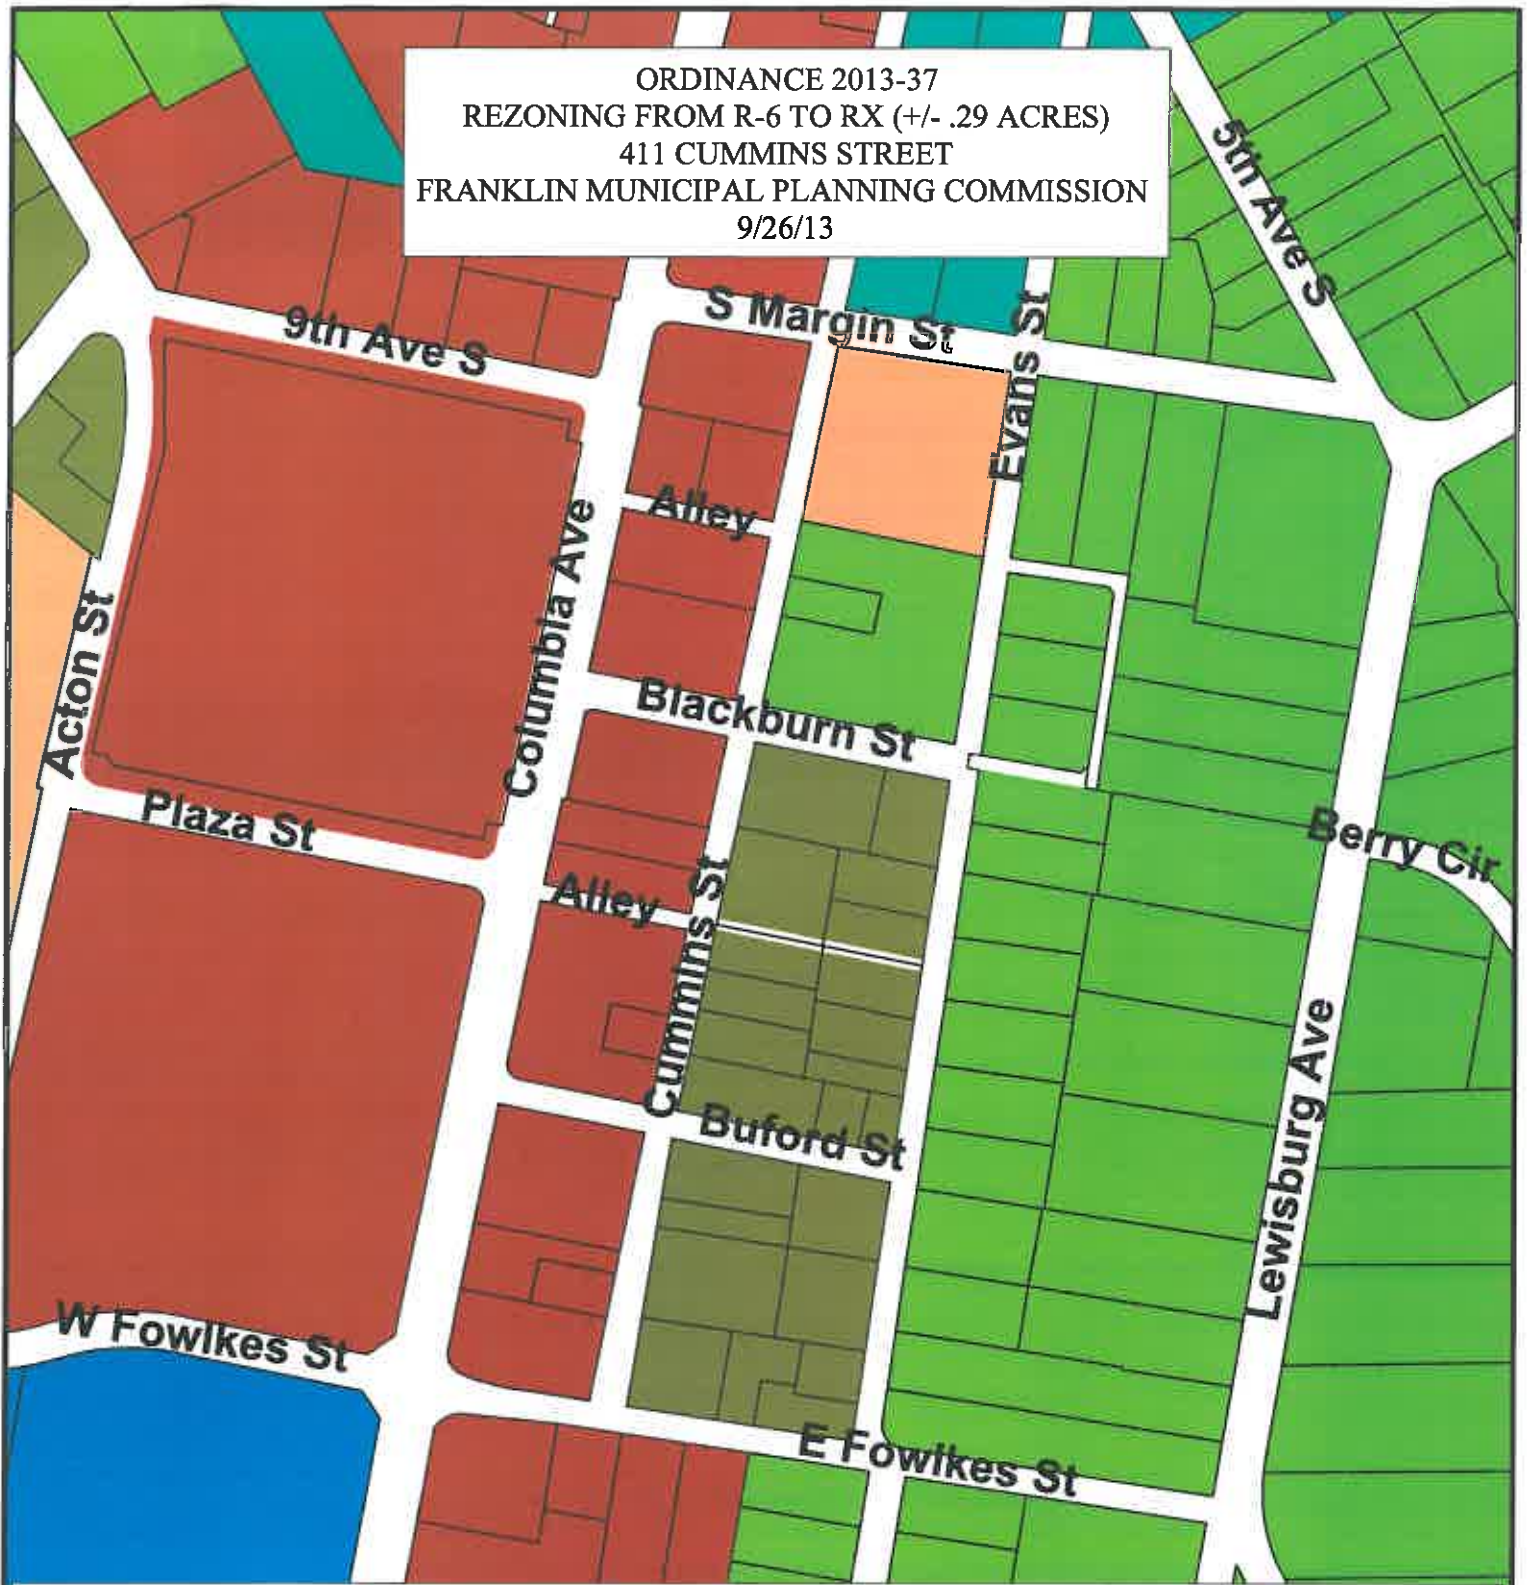

If the applicant has questions about, or is in disagreement with, a condition of approval, they shall contact the project planner within the Department of Planning and Sustainability prior to the FMPC meeting. If the applicant fails to notify the Department of Planning and Sustainability of an objection to a condition of approval by one (1) day prior to the FMPC Meeting and raises their objection at the FMPC meeting, staff shall recommend deferral of the item until the next available Agenda.
