MEMORANDUM

January 26, 2010

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator 
David Parker, City Engineer/CIP Executive
Shauna Billingsley, City Attorney

SUBJECT: **TDOT Agreement for Mack Hatcher Parkway Extension
Amendment No. 1, Agreement No. 070112, PIN 101454.01
State and Local Cooperation Future Budget Request
COF Contract No. 2009-0051**

Purpose

The purpose of this memorandum is to provide the Franklin Board of Mayor and Aldermen (BOMA) with information to make consider an amended agreement with the Tennessee Department of Transportation (TDOT) for the extension of Mack Hatcher Parkway (northwest section).

Background

The City of Franklin (COF) has been working with the TDOT towards the planning, design, right-of-way (ROW) acquisition and construction of the extension of Mack Hatcher Parkway from Hillsboro Road (SR 106, US 431) to south of Highway 96 West. The amended agreement with TDOT is for the funding commitments for the Final Design and ROW acquisition phase of this project. Amendment No. 1 for Agreement No. 070112; PIN 101454.01; replaces the previous agreement with TDOT dated July 5, 2007, which was entered into to provide for the Preliminary Design of this section of Mack Hatcher. On August 25, 2009 BOMA approved the Amendment to the Agreement contingent on the acceptance of staff's (City Administrator, City Attorney & City Engineer) acceptance of proposed language changes. TDOT has revised the originally proposed Amendment such that staff recommends acceptance with those language changes, but there has been an added Subsection [D.9 c)] that staff feels needs to be discussed and accepted by BOMA.

The Subsection to be discussed is found on page 10 of the Amendment and reads as follows:

D.9 Maintenance

- c) The Agency shall be solely responsible for and pay for all costs associated with the maintenance and upkeep of landscaping, pedestrian and bicycle trail and associated elements that result from the Context Sensitive Design (CSD) process.

Staff has reviewed the proposed Amended Agreement with the additional maintenance requirement as stated above and recommend acceptance as written. While the City has not seen this additional maintenance requirement in recent agreements, it is something that after discussions with TDOT administrative staff we understand will be incorporated in future agreements. TDOT by law (T.C.A., Sections 54-5-201--203) is only required to maintain the pavement from curb to curb where curbs exist

or the full width of the roadway where no curbs exist on non-access controlled facilities such as Mack Hatcher Pkwy. TDOT will be required to maintain all structures such as the Harpeth River Bridges, etc.

Financial Impact

The COF has already spent \$2,172,979.00 for the Preliminary Design and an early property acquisition. This Agreement sets the funding for the Final Design and ROW acquisition responsibilities as;

Local (City of Franklin)	\$ 5,000,000
State and Federal	\$ 12,900,000

Recommendation

Approval of the Amended Agreement; Amendment No. 1, Agreement No. 070112, PIN 101454.01 (COF Contract No. 2009-0051) is recommended.

to follow applicable Federal and State law in this regard may make the Project ineligible for federal and/or state funding.

- a) The Department will review the processes the Agency used for the acquisition of land and other right-of-way activities. If those processes are found to be in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (Public Law 91-646, 84 Stat. 1894), the Department will certify that the acquisition phase was completed appropriately. The Agency understands that the Project cannot proceed to the Construction phase until this certification of the acquisition phase has been provided. It further understands that if the processes used for acquisition are such that certification is impossible, federal and/or state funds will be withdrawn from the Project. If such withdrawal does occur, the Agency hereby agrees to reimburse the Department for all federal and/or state funds expended at the time of such withdrawal.
- b) If the Agency is responsible for the Construction phase, it agrees to correct any damage or disturbance caused by its work within the State Highway Right-of-Way, including but not limited to the replacement of any control access fence removed by the Agency or its Contractor or agent during the Construction phase of the Project.

- a) Only Project costs incurred after the issuance of the Notice to Proceed for each phase as detailed in the Department's Local Government Guidelines are eligible for Department reimbursement.

C.3 Limits on Federal and State Participation:

Federal funds shall not be paid on account of any cost incurred prior to authorization by the FHWA to the Department to proceed with the Project or part thereof involving such cost. (23 CFR 1.9 (a)). If FHWA and/or the Department determines that any amount claimed is not eligible, federal and/or state participation may be approved in the amount determined to be adequately supported. The Department shall notify the Agency in writing citing the reasons why items and amounts are not eligible for federal and/or state participation. Where correctable non-compliance with provisions of law or FHWA requirements exists, federal and/or state funds may be withheld until compliance is obtained. Where non-compliance is not correctable, FHWA and/or the Department may deny participation in Project costs in part or in total.
- b) For any amounts determined to be ineligible for federal and/or state reimbursement for which the Department has made payment, the Agency shall promptly reimburse the Department for all such amounts within ninety (90) days of written notice.
- c) The Agency agrees to pay all costs of any part of this project which are not eligible for federal and/or state funding. These funds shall be provided upon written request therefore by either (a) check or (b) deposit to the Local Government Investment Pool whenever requested.

Each invoice shall be accompanied by proof of payment in the form of a canceled check or other means acceptable to the Department.
- b) The payment of an invoice by the Department shall not prejudice the Department's right to object to or question any invoice or matter in relation thereto. Such payment by the Department shall neither be construed as

acceptance of any part of the work or service provided nor as final approval of any of the costs invoiced therein. The Agency's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the Department not to constitute allowable costs. Any payment may be reduced for overpayments or increased for underpayments on subsequent invoices.

- c) Should a dispute arise concerning payments due and owing to the Agency under this Agreement, the Department reserves the right to withhold said disputed amounts pending final resolution of the dispute.

C.5 The Department's Obligations:

In the event that the Department is managing all phases of the Project herein described, this provision C.5 does not apply.

C.7 Offset:

In the event that the Agency shall receive federal and/or state funds for any portion of the herein described Project, this provision shall apply.

- a) If, after Project completion, any claim is made by the Department resulting from an audit or for work or services performed pursuant to this Agreement, the Department may offset such amount from payments due for work or services done under any agreement which it has with the Agency owing such amount if, upon demand, payment of the amount is not made within sixty (60) days to the Department. The Agency shall observe and comply with those laws, ordinances, regulations, instructions, and orders in effect as of the date of this Agreement.

D.3 State Law:

- a) Nothing in the Agreement shall require the Agency to observe or enforce compliance with any provision thereof, perform any other act or do any other thing in contravention of any applicable state law, provided, that if any of the provisions of the Agreement violate any applicable state law, the Agency will at once notify the Department in writing in order that appropriate changes and modifications may be made by the Department and the Agency to the end that the Agency may proceed as soon as possible with the Project.

a) **Instructions for Certification - Primary Covered Transactions:**

By signing and submitting this Agreement, the Agency is providing the certification set out below.

- 1) The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The Agency shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the Department's determination whether to enter into this transaction. However, failure of the Agency to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

- 2) The certification in this clause is a material representation of fact upon which reliance was placed when the Department determined to enter into this transaction. If it is later determined that the Agency knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department may terminate this transaction for cause or default.
- 3) The Agency shall provide Immediate written notice to the Department if at any time the Agency learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 4) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. - 7) An Agency may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement portion of the "Lists of Parties Excluded From Federal Procurement or Non-procurement Programs" (Non-procurement List) which is compiled by the General Services Administration.
- 8) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 9) Except for transactions authorized under these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department may terminate this transaction for cause or default.

b) Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Primary Covered Transactions:

- 4) Have not within a 3-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- 5) Where the prospective participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

D.13 Equal Employment Opportunity:

- a) In connection with the performance of any Project, the Agency shall not discriminate against any employee or applicant for employment because of

race, age, religion, color, sex, national origin, disability or marital status. The Agency will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, age, religion, color, gender, national origin, disability or marital status. - c) The Agency shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-grants, subcontracts, and agreements under grants, loans, and cooperative agreements) and that all sub-recipients of federally appropriated funds shall certify and disclose accordingly.

D.19 Records:

- a) The Agency shall maintain documentation for all charges against the Department under this Agreement. All costs charged to the Project, including

any approved services contributed by the Agency or others, shall be supported by properly executed payrolls, time records, invoices, agreements or vouchers evidencing in proper detail and in a form acceptable to the Department the nature and propriety of the charges. - d) With reference to either subsection a. or b. above, a agency may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP.
