SURETIES:

1. Surety amounts shall be determined prior to final staff approval/sign-off of this plat.

PROCEDURAL REQUIREMENTS:

1. In addition to uploading the corrected plat to the online plan review website (<https://franklin.contractorsplanroom.com/secure/>), the applicant shall submit three (3) paper copies and a .pdf file of the corrected plat, along with the Mylar, to the Department of Building and Neighborhood Services (Suite 110, Franklin City Hall). 3. The applicant shall upload a .dwg copy of the final plat through the IDT system (link above) in Tennessee state plan coordinates, NAD 83, NAVD 88, zone 4100/5301 for incorporation of the plat into the Franklin GIS database.

***PROJECT CONSIDERATIONS:**

1. None

* These items are not conditions of this approval, but are intended to highlight issues that should be considered in the overall site design or may be required when more detailed plans are submitted for review. These items are not meant to be exhaustive and all City requirements and ordinances must be met with each plan submittal.

FRANKLIN MUNICIPAL PLANNING COMMISSION (FMPC) PROCESS AND PROCEDURES

If the applicant has questions about, or is in disagreement with, a condition of approval, they shall contact the project planner within the Department of Planning and Sustainability prior to the FMPC meeting. If the applicant fails to notify the Department of Planning and Sustainability of an objection to a condition of approval by one (1) day prior to the FMPC Meeting and raises their objection at the FMPC meeting, staff shall recommend deferral of the item until the next available Agenda.

The following is the process for an item to be heard by the FMPC during their monthly meetings:

1. Staff Presentation,
2. Public Comments,
3. Applicant presentation, and
4. Motion/discussion/vote.

This format has been established to facilitate a more orderly FMPC meeting. The process is intentionally designed in order for any applicant questions or disagreements about conditions of approval to be resolved prior to the meeting, rather than during the FMPC meeting. Only when disagreements about conditions of approval cannot be resolved by the applicants and staff prior to the meeting should those issues be raised during the FMPC meeting.
