How to Handle the Selling of Restricted Sale Items

What is a Restricted Sale Item?

A restricted sale item is an item that requires the customer's Date of Birth (DOB) be entered into the register. Our policy is to physically verify the customer's ID when prompted for DOB. The cashier must enter into the register the DOB from the ID they verified. It is against company policy to enter a generic DOB into the register. **The only exception is for selling tobacco/tobacco related products. Any customer that appears to be under the age of 27, we must request the customer's ID.**

Restricted Sale Items and the Age Requirements to Purchase the Item

- **Alcoholic Beverages** – a person must be 21 years of age
- **Tobacco/Tobacco Related Products** - a person must be 18 years of age in GA, SC, & TN and a person must be 19 years of age in AL. **The only exception is for selling tobacco/tobacco related products. Any customer that appears to be under the age of 27, we must request the customer's ID.**
- **Fireworks** – a person must be 18 years of age
- **Adult Vitamins such as Metabolife** – a person must be 18 years of age
- **R Rated Videos** – a person must be 17 years of age
- **Spray Paint** – a person must be 16 years of age
- **Dry Ice** – a person must be 18 years of age
- **Dextromethorphan such as cough medicines which normally have either DXM or DM in the name** – a person must be 18 years of age

Cashiers

ALL PERSONS (REGARDLESS OF AGE) must be asked to show proper identification when purchasing restricted sale items. It shall be the duty of the person selling the restricted sale item **TO REQUEST AN ID, AND TO BE FURNISHED WITH PROPER IDENTIFICATION** in order to verify the age of the customer.

Some local ordinances require Cashiers to be a certain age in order to scan restricted sale items (for example alcoholic beverages). Each store is responsible for knowing their local ordinances and following those ordinances. If the Cashier is not old enough to scan the restricted sale item then it shall be the responsibility of the Associate (that is of age) scanning the restricted sale item to request **PROPER IDENTIFICATION** and enter the DOB into the register.

If an associate does not comply with the local laws and the company's rules the associates may be subject to fines, arrested by law enforcement and disciplinary action taken up to and including discharge by The Kroger Co.

How to Handle the Selling of Restricted Sale Items

Alcohol and Tobacco Sales Policy

Beer and Wine Sales Policy

A. A person must be 21 years of age to buy Beer or Wine.

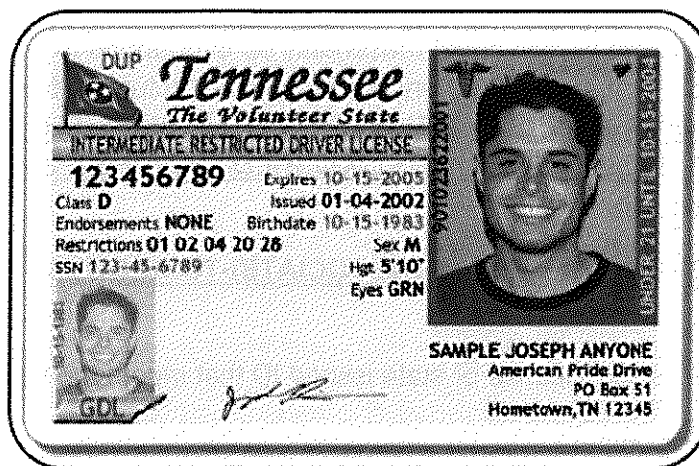

B. The following policy will apply to all cashiers/clerks selling beer or wine:

ALL PERSONS (REGARDLESS OF AGE) must be asked to show proper identification when purchasing alcoholic beverages. IT SHALL BE THE DUTY OF THE PERSON SELLING OR OTHERWISE FURNISHING such alcoholic beverage to REQUEST TO SEE AND TO BE FURNISHED WITH PROPER IDENTIFICATION in order to verify the age of the person.

The key to the above is: **IT SHALL BE THE DUTY OF THE SELLER (ASSOCIATE) - to request PROPER IDENTIFICATION.** Proper identification is a driver's license or state issued ID that meets the following four requirements:

1. A picture to compare with the person making the purchase.
2. A date of birth to determine the age of the person making the purchase.
3. A name printed on the license.
4. A physical description of the person (height, weight, sex, eye color, and hair).

****If you are presented with a Driver's License that has the Red, indicating that the person was under the age of 21 at the time the license was issued (See BELOW) STOP!!! DO NOT ENTER THE DATE OF BIRTH. You must call a member of management and they will enter in the customer's DOB to complete the transaction. If a manager is not available, you must refuse the sale. An MOD cannot approve the sale.**

RED means STOP!!!

How to Handle the Selling of Restricted Sale Items

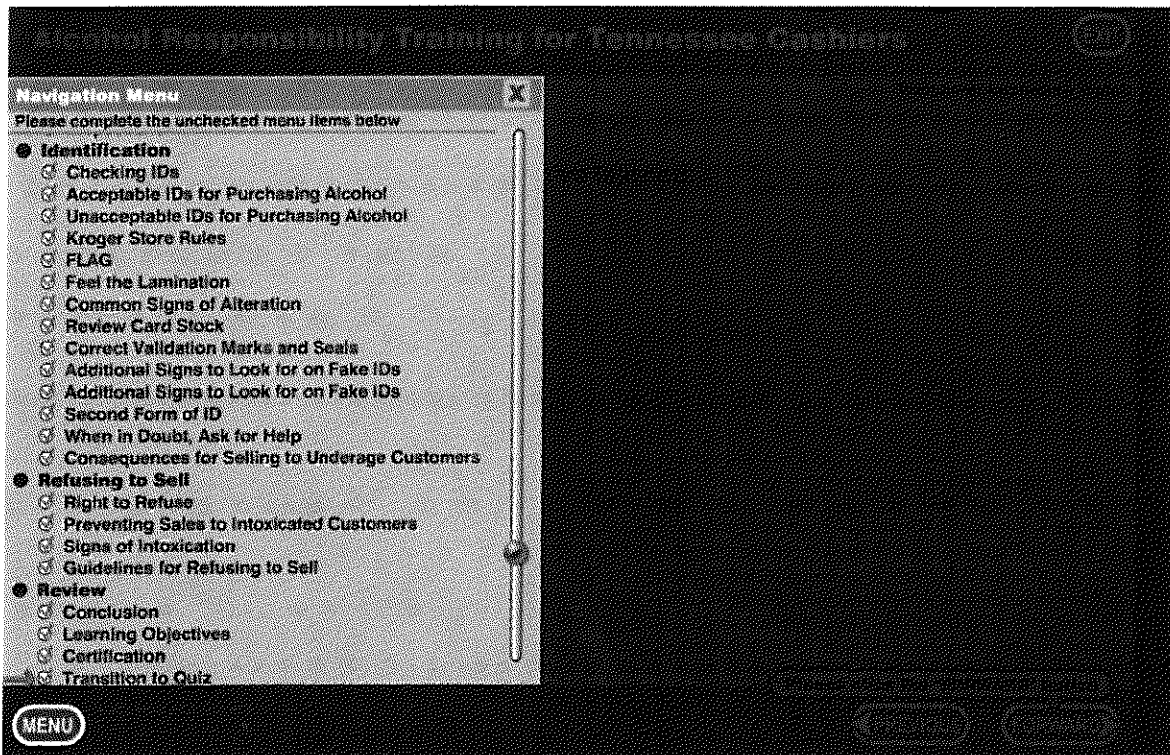

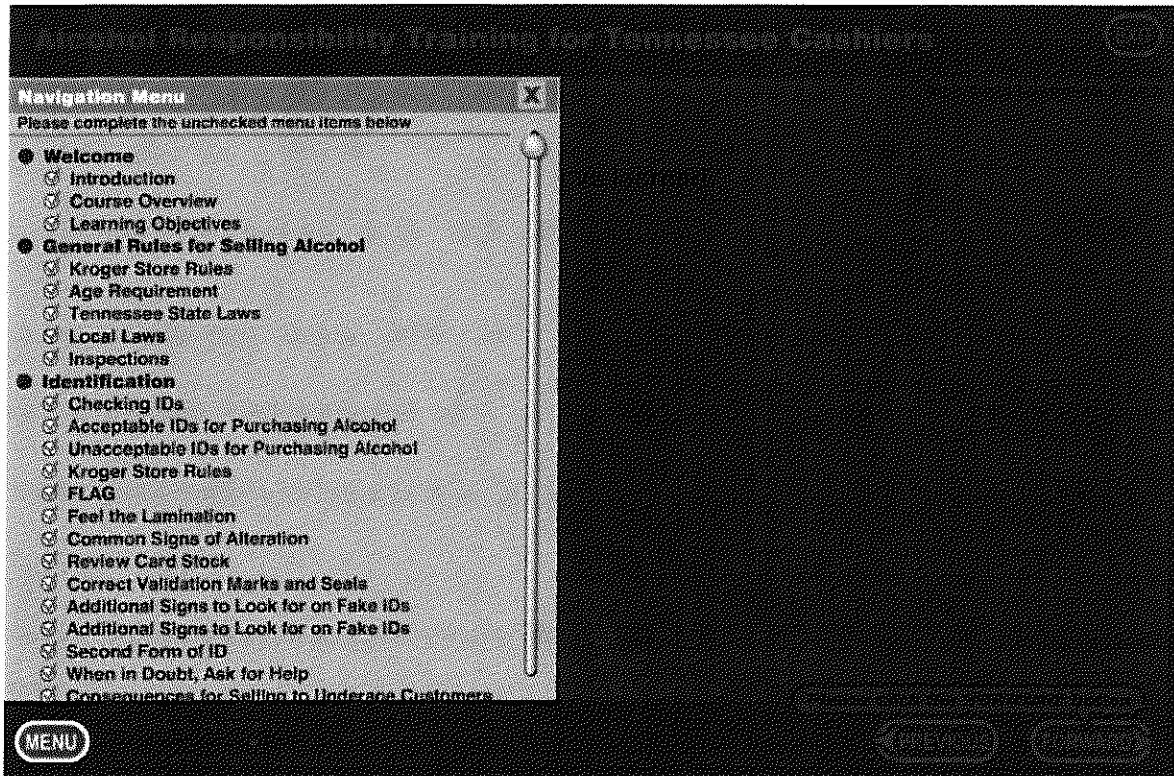

- 4. A physical description of the person (height, weight, sex, color of eyes and hair)
- C. Food stamps cannot be used to purchase cigarettes or tobacco related products.
- D. If scanned incorrectly the customer does not receive the product free.

Violation of these rules will be cause for disciplinary action up to, and including discharge, and are a violation of state law that may subject associates to legal fines and imprisonment.
