SUBJECT: Ordinance 2014-11, "An Ordinance to Amend Title 2, Chapter 5 Of The City Of Franklin Municipal Code Regulating The Battlefield Preservation Commission."

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information regarding a request to amend Title 2, Chapter 5 of the City of Franklin Municipal Code, as pertaining to the regulation of the Battlefield Preservation Commission's membership and term limits.

Background

The Battlefield Preservation Commission consists of eighteen (18) members, ten (10) of which are preservation and heritage-related organizational representatives nominated by the organization's respective governing bodies. One member is represented by a City of Franklin Alderman, and the other seven (7) members serve as at-large members (4), an education community liaison (1), a re-enactment community liaison (1), or a battlefield property owner (1).

Ordinance 2014-11 seeks to amend the existing organizational representation by removing one of the organizational representatives—Franklin on Foot, which resigned in February 2014—with the African-American Heritage Society. Further, the ordinance proposes the removal of term limits from the ten (1) organizational representatives. Many of the organizations represented by the Battlefield Preservation Commission maintain few staff members who are able to attend the commission meetings. The removal of term limits for the organizational representatives may help avoid any potential future issues with vacant seating. The organizations' respective governing bodies will still nominate representatives to the Mayor for consideration, and the BOMA will still confirm each appointment.

This ordinance amendment request was recommended (14-0) by the Battlefield Preservation Commission at its February 13, 2014 meeting.
