MEMORANDUM

May 9, 2014

TO: Board of Mayor and Aldermen

FROM: Eric S. Stuckey, City Administrator 
David Parker, P.E., City Engineer
Paul Holzen, P.E., Director of Engineering
Jonathan Marston, P.E., Engineer III

SUBJECT: **Consideration of a Professional Services Agreement (COF 2014-0118) with Cannon & Cannon, Inc. to provide surveying services for the SR 96 East Sidewalk Project in an amount not to exceed \$15,000**

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information regarding a contract proposal for engineering services for the SR 96 East Sidewalk Project.

Background

On March 13, 2014 the Board of Mayor and Aldermen approved Resolution 2014-13 a resolution to adopt the funding plan for the FY 2014-2018 Capital Investment Program. Included in the plan was the sidewalk construction along Murfreesboro Road (SR 96 East), Mack Hatcher Parkway to Pinkerton Park. This project has the potential for complications associated with floodplain cut and fill, and City staff does not have the necessary computer programs to complete the design of this project in-house due to the floodplain issues. Therefore, staff has negotiated with Cannon & Cannon, Inc. a Professional Services Agreement for the design of this project at a cost of \$15,000.00.

Financial Impact

The proposed agreement cost is for an amount not to exceed \$15,000 and is part of the project budget included in the approved Capital Investment Funding Plan.

Recommendation

Staff recommends approval of COF Contract No 2014-0118 with Cannon & Cannon, Inc in an amount not to exceed \$15,000.00 for the design of the Murfreesboro Road (SR 96 East) Sidewalk Project.

Cannon & Cannon, Inc.

Consulting Engineers • Field Surveyors

April 14, 2014

Attachment A
COF Contract 2014-0118

Mr. Paul Holzen, P.E.
Director of Engineering
City of Franklin, TN
109 3rd Avenue South
Franklin, TN 37064

RE: Murfreesboro Road (S.R. 96) Sidewalk Project – From Pinkerton Park to Mack Hatcher Engineering Services

Dear Mr. Holzen:

Cannon & Cannon, Inc. (CCI) greatly appreciates the opportunity to submit this proposed scope of work to assist the City with developing construction plans and specs for the Murfreesboro Road (S.R. 96) Sidewalk Project.

Understanding

It is our understanding that the City desires assistance from a qualified engineer to complete the construction plans and specifications, which includes a geotechnical investigation of potential fill material taken from areas in Pinkerton Park. It is also our understanding that Civil Infrastructure Associates, LLC (CIA) has been contracted by the City to provide a topographical survey of the project area.

Assumptions

- The City will provide CCI with the CIA survey.
- CCI will perform a cut and fill analysis of earthwork in the floodplain and strive for a 1:1 cut/fill balance in the floodplain.
- CCI will not perform any type of LOMAR or CLOMAR as part of this scope.
- CCI will provide the City with ten (10) copies of the Final Bid Sets of Plans and Specifications. The City will handle selling the plans and specs.
- CCI will review bids and certify the bid tab.
- The City will perform all necessary construction inspection and testing and coordinate all construction meetings.
- The City will process all construction documents including shop drawings, pay applications, punch list and completion notice.
- CCI will be available on a limited basis for construction questions as needed and directed by the City.
- The City is designing a sidewalk project on S.R. 96 West concurrent with this project. The City would like to bid the projects together.

Scope of Work

I. Construction Plans & Specs

\$11,000

- a. CCI will develop construction plans and specification for construction of the sidewalk in compliance with City of Franklin standards.
 - i. CCI will incorporate any items negotiated by property owners during the ROW acquisition process into the construction plans.
 - ii. Quantities are to be lump sum, but can be broken into a few major categories.
 - iii. The City will provide CCI with their standard front end specifications.
- b. CCI will submit a 30% and 90% set of plans and specifications for the City to review.
 - i. CCI will provide one electronic copy and two (2) hard copies of the plans at the 30% submittal and one electronic copy and two (2) hard copies of the plans and specifications at the 90% submittal.
- c. CCI will prepare two (2) options for the 30% review, including preliminary cost estimate.
 - i. The first option will be designing an alignment along Murfreesboro Road that will consist of a curb, grass strip and sidewalk.
 - ii. The second option will consist of aligning the proposed sidewalk where fill would be minimized (i.e. the sidewalk will be located further from Murfreesboro Road along the existing grade).
- d. CCI will coordinate any necessary utility relocations associated with the project.
- e. After final approval of the plans and specs by the City, CCI will provide the City with one electronic copy and ten (10) hard copies of the final construction plans and specifications.
- f. CCI will incorporate the quantities from the City-designed project and include in one bid package.
- g. CCI will coordinate and manage a pre-bid meeting for the combined sidewalk projects.
- h. CCI will coordinate the bid opening and will review and certify bid tabulations.

II. Geotechnical Investigation

\$1,500

- a. CCI has contracted with Patriot Engineering to perform a geotechnical investigation of potential fill material as identified by the City.
- b. The geotechnical investigation will assess the subsurface conditions of the site and provide recommendations for developing the site as proposed.
 - i. Two (2) test pits will be excavated at the proposed borrow site. The soil samples will undergo laboratory testing that will consist of natural moisture content determinations, Atterberg limits testing and Standard Proctor tests.
 - ii. The City will be presented with a Geotechnical Engineering Memo presenting the field data and laboratory test data. The memo will determine the suitability

of the soil as fill material as well as provide recommendations on proper fill placement.

- iii. In an effort to help the City minimize cost, the City will provide the backhoe and operator necessary for excavating the test pits.

III. Permitting \$2,500

- a. CCI will prepare permit application documents for a Notice of Intent, Franklin Stormwater Permit and a SWPPP, if applicable. CCI will assist the City with submitting the permit applications after they have been signed by the City.
 - i. It is anticipated that permits will be necessary as the total disturbed area is expected to be greater than 1 Acre.

~~**IV. Construction Support/Utility Coordination \$3,500 (Allowance)**~~

- ~~a. Construction Services will consist of periodic site visits and assisting the City with construction related questions or issues throughout the construction project.

 - ~~i. Site visits will only be performed as specifically requested by City Staff.~~
 - ~~ii. CCI will attend up to two construction walk throughs; once when substantial completion is reached and a final walk through to ensure all punch list items have been addressed.~~~~
- ~~b. CCI will work with affected utility providers to coordinate any conflicts that occur during construction.~~

V. Time of Service

- a. Upon receiving a Notice to Proceed (NTP) from the City, CCI will coordinate with the City on excavating the test pits. Concurrently, CCI will begin the development of the 30% plans. It is anticipated that CCI will be ready to submit the review set to the City within four (4) weeks after the NTP.
- b. After receiving comments on the review set from the City, CCI will address comments and submit the 90% construction plans and specifications within four (4) weeks.
- c. After receiving comments on the review set from the City, CCI will address comments and submit the final construction plans and specifications within two (2) weeks.

VI. Compensation

Task	Sub Total
Construction Plans & Specs	\$11,000
Permitting	\$2,500

Cannon & Cannon, Inc.

Consulting Engineers • Field Surveyors

Geotechnical	\$1,500
Construction Support/Utility Coordination	\$3,500 (Allowance)
Final Grand Total	\$15,000

The estimate for this work is **\$15,000** with an allowance of ~~\$3,500~~ for ~~Construction Support/Utility Coordination~~. No charges will be made for permitting if permits are determined not to be needed. Services for Construction Support/Utility Coordination will be used only at the client's request. Reimbursable expenses, which include plan reproduction and mileage for meetings/site visits will be billed separately. These expenses will be billed at actual cost with no mark ups.

At this time, we have not included budgets for the following services in this proposal, some of which may not be necessary for the project. CCI will be happy to furnish estimates for these upon request:

- Permit Fees
- Landscape Architecture
- Off-site Utility(ies) relocation
- Construction Inspection
- Structural Engineering, including retaining walls
- Construction As-builts
- Expenses, including travel, reprographics, submittal fees and permitting fees other than those listed above
- Other items not outlined in Basic Services

~~Invoices will be submitted on a monthly basis. Payment is required within two weeks thereafter. In the event payment is delinquent for more than thirty days, CCI reserves the right to cease all work on the project including the withdrawal of any submittals until the account is made current. Likewise, in the event a change in design scope becomes necessary due to unforeseen circumstances, CCI will provide a budget for these changes and will proceed with this effort only upon prior approval from the Owner.~~

The services above are based on our understanding of the City's request. CCI will perform the work described following the contract requirements of the Professional Services Agreement between the City of Franklin and CCI.

We are prepared to begin this work immediately upon receiving a Notice to Proceed from the City. If you have any questions or need anything else from me, please do not hesitate in calling me. Once again, I appreciate having the opportunity to provide this service to the City of Franklin.

Sincerely,

Eric J. Gardner, P.E.
Project Manager

**CITY OF FRANKLIN, TENNESSEE
PROFESSIONAL SERVICES AGREEMENT
COF Contract No 2014-0118**

THIS PROFESSIONAL SERVICES AGREEMENT ("Agreement") is by and between the City of Franklin, Tennessee, hereinafter referenced as City, and **Cannon & Cannon, Inc.**, hereinafter referenced as Consultant, who mutually agree as follows:

DECLARATIONS. City desires to retain Consultant to provide engineering related technical, and other services in connection with City's project hereinafter referenced as Project. The Project is described as follows:

**Engineering Services for the Murfreesboro Road (SR 96 East)
Sidewalk Project; Mack Hatcher Parkway to Pinkerton Park**

1. **SCOPE OF SERVICES.** Consultant shall provide engineering and related technical services for the Project in accordance with the Scope of Work. The Scope of Work as found in **Attachment A** shall be considered as an integral part hereof.
2. Consultant shall be paid on an hourly basis for work performed based on the fee schedule as contained in **Attachment A** in the Amount Not To Exceed **FIFTEEN THOUSAND AND NO/100 DOLLARS (\$15,000.00)**.
3. In event of a conflict between this Agreement and the attached document(s), this Agreement shall supersede conflicting terms and conditions.

**The Board of Mayor and Aldermen Approved this Agreement on the
_____ Day of _____ 2014.**

Dr. Ken Moore
Mayor
Date: _____

TERMS AND CONDITIONS FOR PROFESSIONAL SERVICES

ARTICLE 1. SERVICES. Consultant will:

- 1.1 Act for City in a professional manner, using that degree of care and skill ordinarily exercised by and consistent with standards of competent consultants using the standards in the industry:
- 1.2 Consider all reports to be confidential and distribute copies of the same only to those persons specifically designated by the City.
- 1.3 Perform all services under the general direction of a senior professional employee, licensed and/or registered in the State of Tennessee, when appropriate.
- 1.4 Retain pertinent records relating to the services performed for a period of seven (7) years following the completion of the work; during this period the records shall be available for review by City at all reasonable times.

ARTICLE 2. CITY'S RESPONSIBILITIES. City, or its authorized representative, will:

- 2.1 Provide Consultant with all information regarding the Project, which is available to, or reasonably obtainable by, the City.
- 2.2 Furnish right-of-entry onto the Project site for Consultant's necessary field studies and surveys. Consultant will endeavor to restore the site to its original condition and shall remain solely liable for all damages, costs and expenses, including reasonable attorneys' fees, for failure to make such restoration.
- 2.3 Designate, in writing, the sole Project representative to coordinate with and direct the Consultant, including all contact information.
- 2.4 Guarantee to Consultant that it has the legal capacity to enter into this contract and that sufficient monies are available to fund Consultant's compensation.

ARTICLE 3. GENERAL CONDITIONS.

- 3.1 Consultant, by the performance of services covered hereunder, does not in any way assume, abridge or abrogate any of those duties, responsibilities or authorities customarily vested in other professionals or agencies participating in the Project.
- 3.2 Consultant shall be responsible for the acts or omissions of any party involved in concurrent or subsequent phases of the PROJECT acting upon written instruction issued by the Consultant.
- 3.3 Neither City nor Consultant may assign or transfer its duties or interest in this Agreement without written consent of the other party. However, nothing in this Article shall prevent Consultant from engaging

independent consultants, associates, and subcontractors to assist in the performance of the Services at Consultant's cost.

3.4 **ALLOCATION OF RISK AND LIABILITY; GENERAL.** Considering the potential liabilities that may exist during the performance of the services of this Agreement, the relative benefits and risks of the Project, and the Consultant's fee for the services rendered, and in consideration of the promises contained in this Agreement, the City and the Consultant agree to allocate and limit such liabilities in accordance with this Article.

3.5 **INDEMNIFICATION.** Consultant agrees to indemnify and hold City harmless from and against legal liability for all judgments, losses, damages, and expenses to the extent such judgments, losses, damages, or expenses are caused by Consultant's negligent act, error or omission in the performance of the services of this Agreement. In the event judgments, losses, damages, or expenses are caused by the joint or concurrent negligence of Consultant and City, they shall be borne by each party in proportion to its own negligence.

3.5.1 **SURVIVAL.** The terms and conditions of this paragraph shall survive completion of this services agreement.

3.6 **LIMITATIONS OF RESPONSIBILITY.** Consultant shall not be responsible for (a) construction means, methods, techniques, sequences, procedures, or safety precautions and programs in connection with the Project unless specifically undertaken in Attachment A, **SCOPE OF SERVICES**; (b) the failure of any contractor, subcontractor, Consultant, or other Project participant, not under contract to Consultant, to fulfill contractual responsibilities to City or to comply with federal, state, or local laws, regulations, and codes; or (c) procuring permits, certificates, and licenses required for any construction unless such procurement responsibilities are specifically assigned to Consultant in Attachment A, **SCOPE OF SERVICES**.

ARTICLE 4. TERMINATION BY THE CITY. The City may terminate this Agreement in accordance with the following terms and conditions:

4.1 **Termination for Convenience.** The City may, when in the interests of the City, terminate performance under this Agreement with the Consultant, in whole or in part, for the convenience of the City. The City shall give written notice of such termination to the Consultant specifying when termination becomes effective. The Consultant shall incur no further obligations in connection with the work so terminated, other than warranties and guarantees for completed work and installed equipment, and the Consultant shall stop work when such termination becomes effective. The Consultant shall also terminate outstanding orders and subcontracts for the affected work. The

Consultant shall settle the liabilities and claims arising out of the termination of subcontracts and orders. The City may direct the Consultant to assign the Consultant's right, title and interest under termination orders or subcontracts to the City or its designee. The Consultant shall transfer title and deliver to the City such completed or partially completed work and materials, equipment, parts, fixtures, information and Contract rights as the Consultant has in its possession or control. When terminated for convenience, the Consultant shall be compensated as follows:

- (1) The Consultant shall submit a termination claim to the City specifying the amounts due because of the termination for convenience together with costs, pricing or other data required by the City. If the Consultant fails to file a termination claim within one (1) year from the effective date of termination, the City shall pay the Consultant the amount the City deems the Consultant is due.
- (2) The City and the Consultant may agree to the compensation, if any, due to the Consultant hereunder.
- (3) Absent agreement to the amount due to the Consultant, the City shall pay the Consultant the following amounts:
 - (a) Contract costs for labor, materials, equipment and other services accepted under this Agreement;
 - (b) Reasonable costs incurred in preparing to perform and in performing the terminated portion of the work, and in terminating the Consultant's performance, plus a fair and reasonable allowance for direct job site overhead and earned profit thereon (such profit shall not include anticipated profit or consequential damages); provided however, that if it reasonably appears that the Consultant would have not profited or would have sustained a loss if the entire Agreement would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss, if any;

The total sum to be paid the Consultant under this Section shall not exceed the total Agreement Price, as properly adjusted, reduced by the amount of payments otherwise made, and shall in no event include duplication of payment.

- 4.2 Termination for Cause. If the Consultant does not perform the work, or any part thereof, in a timely manner, supply adequate labor, supervisory personnel or proper equipment or materials, or if it fails to timely discharge its obligations for labor, equipment and materials, or proceeds to disobey applicable law, or otherwise commits a violation of a material provision of this Agreement, then the City, in addition to any other rights it may have against the Consultant or others, may terminate the performance of the Consultant, in whole or in part at the City's sole option, and assume possession of the Project Plans and materials and may complete the work.

In such case, the Consultant shall not be paid further until the work is complete. After Completion has been achieved, if any portion of the Contract Price, as it may be modified hereunder, remains after the cost to the City of completing the work, including all costs and expenses of every nature incurred, has been deducted by the City, such remainder shall belong to the Consultant. Otherwise, the Consultant shall pay and make whole the City for such cost. This obligation for payment shall survive the termination of the Agreement.

In the event the employment of the Consultant is terminated by the City for cause pursuant to this Section and it is subsequently determined by a Court of competent jurisdiction that such termination was without cause, such termination shall thereupon be deemed a Termination for Convenience under this Section and the provisions of Section 4.1 shall apply.

- 4.3 Termination for Non-Appropriation. The City may also terminate this Agreement, in whole or in part, for non-appropriation of sufficient funds to complete or partially complete the Project, regardless of the source of such funds, and such termination shall be on the terms of Section 4.1.
- 4.4 The City's rights under this Section shall be in addition to those contained elsewhere herein or provided by law.

ARTICLE 5. SCOPE OF SERVICES. Consultant shall provide the Services as described in Attachment A, SCOPE OF SERVICES.

5.1 By mutual agreement, this contract and scope can be amended by the parties. The scope and fee for any additional tasks or services under such amendment shall be mutually negotiated and agreed to in writing prior to beginning such additional tasks or services.

5.2 **ENVIRONMENTAL RESPONSIBILITY.**

Where drilling/sampling services are involved, the samples obtained from the Project site are the property of the City. Should any of these samples be recognized by the Consultant to be contaminated, the City shall remove them from the Consultant's custody and transport them to a disposal site, all in accordance with applicable government statutes, ordinances, and regulations. For all other samples, the Consultant shall retain them for a sixty (60)-day period following the submission of the drilling/sampling report unless the City directs otherwise; thereafter, the Consultant shall discard the samples in accordance with all federal, state and local laws.

ARTICLE 6. SCHEDULE.

6.1 **TIME OF THE ESSENCE.** The parties agree that TIME IS OF THE ESSENCE with respect to the parties' performance of all provisions of the Agreement.

6.2 **FORCE MAJEURE.** Neither party will be liable to the other for any delay or failure to perform any of the services or obligations set forth in this Agreement due to causes beyond its reasonable control, and performance times will be considered extended for a period of time equivalent to the time lost because of such delay plus a reasonable period of time to allow the parties to recommence performance of their respective obligations hereunder. Should a circumstance of force majeure last more than ninety (90) days, either party may by written notice to the other terminate this Agreement. The term "force majeure" as used herein shall mean the following: acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States or of the State or any of their departments, agencies or officials, or any civil or military authority; insurrections, riots, landslides, earthquakes, fires, storms, tornadoes, droughts, floods, explosions, breakage or accident to machinery, transmission pipes or canals; or any other cause or event not reasonably within the control of either party.

6.3 Should City request changes in the scope, extent, or character of the Project, the fee and the time of performance of Consultant's services as indicated in Attachment A shall be adjusted equitably.

ARTICLE 7. USE OF DOCUMENTS, DATA.

7.1 All Documents, including, but not limited to, reports, drawings, specifications, and computer software prepared by Consultant pursuant to this Agreement are instruments of service in respect to the Project. Consultant shall retain an ownership and property interest therein (including the right of reuse at the discretion of the Consultant) whether or not the Project is completed.

7.1.1 USE OF DATA SYSTEMS: Ownership, property interests and proprietary rights in data systems used by Consultant do not extend to the data created by or supplied to Consultant by the City; all rights to that data (including derivative or hidden data such as metadata) shall vest solely in City at the moment of creation.

7.1.2 DISCLOSURE OF DOCUMENTS/DATA. City may be required to disclose documents or data under state or federal law. City shall notify Consultant if a request for data or documents has been made and shall give Consultant a reasonable opportunity under the circumstances to respond to the request by redacting proprietary or other confidential information. Consultant waives any right to confidentiality of any document, e-mail or file it fails to clearly mark on each page as confidential or proprietary. In exchange, Consultant agrees to indemnify, defend, and hold harmless City for any claims by third parties relating thereto or arising out of (i) the City's failure to disclose such documents or information required to be disclosed by law, or (ii) the City's release of documents as a result of City's reliance upon Consultant representation that materials supplied by Consultant (in full or redacted form) do not contain trade secrets or proprietary information, provided that the City impleads Consultant and Consultant assumes control over that claim.

7.2 City-furnished data that may be relied upon by Consultant is limited to the printed copies that are delivered to the Consultant pursuant to Article 2 of this Agreement. Any copyrighted electronic files furnished by City shall be used by Consultant only for the Project as described herein. City's posting or publication of such documents created by Consultant for City shall constitute fair use and shall not constitute an infringement of Consultant's copyright, if any.

7.3 Documents that may be relied upon by City are limited to the printed copies (also known as hard copies) that are signed or sealed by the Consultant. Files in electronic media format of text, data, graphics, or of other types that are furnished by Consultant to City are only for

convenience of City, unless the delivery of the Project in electronic media format has been dictated in Attachment A, SCOPE OF SERVICES. Any conclusion or information obtained or derived from electronic files provided for convenience will be at the user's sole risk.

- 7.4 Because data stored in electronic media format can deteriorate or be modified inadvertently or otherwise without authorization of the data's creator, the party receiving electronic files agrees that it will perform acceptance tests or procedures within 60 days, after which the receiving party shall be deemed to have accepted the data thus transferred. Any errors detected within the 60-day acceptance period will be corrected by the party delivering the electronic files. Unless stated otherwise herein, Consultant shall not be responsible to maintain documents stored in electronic media format after acceptance by City.
- 7.5 When transferring documents in electronic media format, Consultant makes no representations as to long term compatibility, usability, or readability, of documents resulting from the use of software application packages, operating systems, or computer hardware differing from that as required of, and used by, Consultant at the beginning of this Project.
- 7.6 City may make and retain copies of Documents for information and reference in connection with use on the Project by the City, or his authorized representative. Such Documents are not intended or represented to be suitable for reuse by City or others on extensions of the Project or on any other project. Any such reuse or modifications without written verification or adaptation by Consultant, as appropriate for the specific purpose intended, will be at City's sole risk and without liability or legal exposure to the Consultant or to Consultant's Consultants.
- 7.7 If there is a discrepancy between the electronic files and the hard copies, the hard copies govern.
- 7.8 Any verification or adaptation of the Documents for extensions of the Project or for any other project will entitle Consultant to further compensation at rates to be agreed upon by City and Consultant.

ARTICLE 8. INSURANCE.

- 8.1 During the performance of the Services under this Agreement, Consultant shall maintain the following minimum insurance:
 - a) General Liability Insurance with a combined single limit of \$1,000,000 per occurrence and \$2,000,000 annual aggregate.
 - b) Automobile Liability Insurance with a combined single limit of \$1,000,000 for each person and \$1,000,000 for each accident.
 - c) Workers' Compensation Insurance Coverage A in accordance with statutory requirements and Coverage B, Employer's Liability Insurance, with a limit of \$500,000 for each occurrence.

- d) Professional Liability Insurance with a limit of \$1,000,000 annual aggregate.
- 8.2 Consultant shall add the City an additional insured on all policies unless otherwise prohibited.
- 8.3 Consultant shall, upon execution of this Agreement, furnish City certificates of insurance, which shall include a provision that such insurance shall not be canceled without at least thirty days' written notice to City.
- 8.4 No insurance, of whatever kind or type is to be considered as in any way limiting other parties' responsibility for damages resulting from their activities in the execution of the Project. City agrees to include, or cause to be included, in the Project's construction contract, such requirements for insurance coverage and performance bonds by the Project's construction contractor as City deems adequate to indemnify City, Consultant, and other concerned parties against claims for damages and to insure compliance of work performance and materials with Project requirements.

ARTICLE 9. PAYMENT.

- 9.1 City will pay Consultant for services and expenses in accordance with the Fee Schedule proposal submitted for the Project as part of the Scope Of Services. Consultant's invoices will be presented at the completion of the work or monthly and will be payable upon receipt. Payment is due upon presentation of invoice and is past due thirty (30) days from invoice date. City shall give prompt written notice of any disputed amount and shall pay the remaining amount.
- 9.2 Consultant shall be paid in full for all services under this Agreement, including City-authorized overruns of the Project budget or unforeseen need for Consultant's services exceeding the original Scope Of Services.
- 9.3 **TRAVEL; EXPENSES**
The City shall reimburse reasonable expenses, including travel and meals, when specified in the Scope Of Services, but only in accordance with the City's Travel and Expense Policy and Procedures Manual. The maximum amount will be applied as of the date of travel and as listed in the per diem reimbursement rates on the "CONUS" website developed by the United States General Services Administration, located at www.gsa.gov [click on 'per diem rates' under the 'etools' category].

ARTICLE 10. MISCELLANEOUS PROVISIONS

- 10.1 **EQUAL EMPLOYMENT OPPORTUNITY.** In connection with this Agreement and the Project, the City and the Consultant shall not discriminate against any employee or applicant for employment because

of race, color, sex, national origin, disability or marital status. The City and Consultant will take affirmative action to ensure that contractor used for the Project does not discriminate against any employee and employees are treated during employment without regard to their race, age, religion, color, gender, national origin, disability or marital status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship.

10.1.1 The Consultant shall insert the foregoing provision in all contracts relating to this Project.

10.2 TITLE VI – CIVIL RIGHTS ACT OF 1964. The City and the Consultant shall comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), 49 C.F.R., Part 21, and related statutes and regulations.

10.2.1 The Consultant shall insert the foregoing provision in all contracts relating to this Project.

10.3 NO THIRD PARTY RIGHTS CREATED. City and Consultant each binds itself and its successors, executors, administrators, permitted assigns, legal representatives and, in the case of a partnership, its partners, to the other party to this Agreement and to their successors, executors, administrators, permitted assigns, legal representatives and partners of such other party in respect to all provisions of this Agreement. The Services provided for in this Agreement are for the sole use and benefit of City and Consultant. Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the City and the Consultant.

10.4 WARRANTIES/LIMITATION OF LIABILITY/WAIVER. The City reserves all rights afforded to local governments under law for all general and implied warranties. The City does not waive any rights it may have to all remedies provided by law and therefore any attempt by Consultant to limit its liability shall be void and unenforceable.

ARTICLE 11. EXTENT OF AGREEMENT:

11.1 APPLICABLE LAW/CHOICE OF FORUM AND VENUE. This Agreement is made under and will be construed in accordance with the laws of the State of Tennessee without giving effect to that state's choice of law rules. The parties' choice of forum and venue shall be exclusively in the courts of Williamson County, Tennessee. Any provision of this Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

11.2 **ENTIRE AGREEMENT.** This Agreement, including these terms and conditions, represent the entire Agreement between City and Consultant for this Project and supersedes all prior negotiations, representations or agreements, written or oral. This Agreement may be amended only by written instrument signed by City and Consultant.

ARTICLE 12. DISPUTE RESOLUTION, BREACH.

12.1 If a dispute should arise relating to the performance of or payment for the services under this Agreement, the aggrieved party shall notify the other party of the dispute within a reasonable time after such dispute arises. During the pendency of any dispute, the parties shall continue diligently to fulfill their respective obligations hereunder. No arbitration or mediation shall be required as a condition precedent to filing any legal claim arising out of or relating to the Contract. No arbitration or mediation shall be binding.

12.2 **BREACH.** Upon deliberate breach of the Contract by either party, the non-breaching party shall be entitled to terminate the Contract with notice, with all of the remedies it would have in the event of termination, and may also have such other remedies as it may be entitled to in law or in equity.

ARTICLE 13. SURVIVAL.

The provisions contained in this Professional Services Agreement shall survive the completion of or any termination of the Contract, agreement or other document to which it may accompany or incorporate by reference or which subsequently may be modified, unless expressly excepted from this Article upon consent of both parties.
