FROM: Eric S. Stuckey, City Administrator
Paul P. Holzen, Director of Engineering
Patricia Proctor, Utilities Engineer II

SUBJECT: Sewer Availability Request for 459 Franklin Road (Map 53 Parcel 23.00)

Purpose

The purpose of this memorandum is to forward to the Board of Mayor and Aldermen (BOMA) a request for sewer availability for 459 Franklin Road (Map 53 Parcel 23.00).

Background

A request for sewer availability (1-SFUE) for 459 Franklin Road (Map 53 Parcel 23.00) was submitted on June 30, 2014. The property is located within the Urban Growth Boundary and is adjacent to the City of Franklin City Limits. This property is located within the Spencer Creek Basin but further than 200 feet from existing or future City sewer. **The property owner is requesting that this availability be approved.**

It has been the Board's policy to require properties located outside of the City Limits and requesting more than 1 SFUE to also require annexation. This request however, is for only 1 SFUE.

Financial Impact

None.

Recommendation

Staff recommends approving availability per the applicant's request.
