MEMORANDUM

January 14, 2010

TO: Board of Mayor and Aldermen
FROM: City Administrator Eric S. Stuckey *Eric*
Assistant City Administrator Russ Truell

SUBJECT: Solid Waste Budget Amendment of Landfill Expenditures

Purpose

Consideration of a budget amendment to the FY2010 budget to reflect the increased cost per ton of tipping fees at landfill.

Background

At the December meeting, it was reported that the cost per ton of disposal at the Middlepoint Landfill has increased by 25%. That cost cannot be absorbed in the existing Solid Waste Disposal budget. An increase of estimated expenditures of \$125,000 is needed

Financial Impact

There is no further change to actual expenditures, only to the budget to account for anticipated expenses beyond the control of management.

Options

Adopt the budget amendment or leave expenditure allocations where they are.

Recommendation

Staff recommends approving the amendment.
