MEMORANDUM

January 14, 2010

TO: Board of Mayor and Aldermen
FROM: City Administrator Eric S. Stuckey 
Assistant City Administrator Russ Truell
SUBJECT: Budget amendment to move Fleet operations

Purpose

Consideration of a budget amendment to the FY2010 budget to reflect the movement of Fleet Maintenance operations from the Solid Waste Fund to the General Fund.

Background

At the end of December, Fleet operations were moved from supervision in the Solid Waste area to the Street department. Because Street and Solid Waste are in different funds, the budgeted amounts need to be moved to properly capture the financial activity.

Financial Impact

There is no change to the budgeted expenditures, only to the placement of those expenditures within the budget.

Options

Adopt the budget amendment or leave expenditure allocations where they are.

Recommendation

Staff recommends approving the amendment.
