

BOMA 2010-2012 CIP SMALL PROJECT FUNDING

The following is the ranking of the various small projects in the FY 2010-2014 CIP by the Board of Mayor and Aldermen (BOMA). Each Alderman and the Mayor have submitted their priority rankings and these are tabulated under their names. The number one (1) priority is given a score of ten (10), number two (2) priority is given a score of nine (9) and so on. The scores of each project is then totaled and the projects are ranked with priority number one (1) being that project with the highest total score, priority two (2) the next highest total score, etc.
