MEMORANDUM

January 14, 2010

TO: Board of Mayor and Aldermen
FROM: City Administrator Eric S. Stuckey *Eric*
Assistant City Administrator Russ Truell
SUBJECT: Audit Adjustments

Purpose

Consideration of a budget amendment to the FY2010 budget to reflect adjustments resulting from the FY2009 audit report.

Background

At the end of each audit period, there are adjusting journal entries that are required. Some result from errors caught by staff during the closing process and other result from our auditor's recommendations. There are always some adjustments to be made to reflect the actual ending balances that were not known with accuracy during the budget preparation process.

Financial Impact

There is no change to the budgeted expenditures, only to the starting balances.

Options

Adopt the budget amendment or inaccurately reflect starting fund balances.

Recommendation

Staff recommends approving the amendment.
