This year, as in prior years, your **W-2** is available online. You can view your W-2 at <http://cityoffranklin.greenemployee.com>.

You will log into **Green Employee** using the same credentials required to view your paystub. Once in the system, you may be asked to consent to receive an electronic W-2 in place of a paper W-2. After consenting, a verification code may be generated that will need to be entered. Please note that even if you do consent to receive an electronic copy in lieu of paper, a paper copy will still be mailed. If you have any questions, please contact Finance at (615) 791-1457.

Congratulations to **Laura Johnson in Human Resources** and **DeAnn Kraft in Revenue Management** who earned the 2016 Tennessee Municipal Administration Certificate (TMAC) from the University of Tennessee Municipal Technical Advisory Service (MTAS) office of the Tennessee Municipal League. The TMAC occurs over the course of a year within the MTAS Municipal Administration Program. Training includes a Leadership and Management track and a Public Administration track. Great job, Laura and DeAnn!

Thursday, the **Franklin Police Department** graduated nine new officers from police officer training. The new officers are **Anthony Alexander, Chanthama Chittanavong, Jonathan Corner, Prentice Griffin, Connor Jimenez, Branden McClellan, Rebecca Pike, Cody Walter and Robert Wombles**. Special thanks to our **training staff** in police and for those who put a great ceremony together at Rolling Hills Community Church. You can see the entire graduation ceremony on our City Facebook Page at [www.facebook.com/cityoffranklin!](http://www.facebook.com/cityoffranklin)

The City of Franklin is holding its second public involvement meeting and formal presentation for the **Columbia Avenue (State Route 6 and U.S. Route 31) Widening & Improvements Project** on Tuesday, January 31, 2017. The public involvement meeting

will be from 6:00 p.m. to 8:00 p.m. on Tuesday, January 31, 2017, at City Hall. A formal presentation will begin at 6:30 p.m., with individual discussions at 6:00 p.m. and again after the presentation. Attendees will learn about the proposed alternatives from City staff and the project team and have the opportunity to provide feedback. Our purpose is to allow stakeholders of all types the opportunity to give input/feedback in the public engagement process. The City of Franklin Engineering Department is responsible for the implementation and coordination of projects such as the Columbia Avenue Widening Improvements Project even though it is a Tennessee Department of Transportation (TDOT) funded project. For additional project information, please visit the Columbia Avenue project page at <http://www.franklintn.gov/ColumbiaAvenue>.

That's it for today! Thanks for *all* you do!
