Michael Walters Young accepted the **Government Finance Officers Association (GFOA) Budget Award** on behalf of the Finance Team. This is the **ninth consecutive year** to win the award. The GFOA established the Distinguished Budget Presentation Awards Program (Budget Awards Program) in 1984 to encourage and assist state and local governments to prepare budget documents of the very highest quality that reflect both the guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA's best practices on budgeting and then to recognize individual governments that succeed in achieving that goal. Mr. Walters Young said the budget was judged as **outstanding on all criteria**. **Thank you and congrats to Michael, our Finance team, and folks in every department that work on the budget each year. This is definitely a TEAM effort. Great job!**

Building and Neighborhood Services has established an **Assistant Director** position and is pleased to announce that **Tom Marsh** will fill that position. Tom has been a vital member of the BNS team for several years and served as Interim Director for 2 years while former Director Gary Luffman served as Interim Director of the Planning Department. Tom is a graduate of Vanderbilt University with a degree in Political Science and was commissioned an Officer in the Navy upon graduation. After 7 years on active duty Tom worked for the State Department of Community and Economic Development as a Planner for 2 years. He came to Franklin as a Planner in 2001 and transitioned to the then "Codes

Administration Department” as Zoning and Development Coordinator in 2006. Tom recently retired from the Navy as a Commander after 24 years of combined active duty and reserve service. His last assignment was as liaison officer to the NATO and European Union Counter Piracy Task Forces with headquarters outside London. Tom has extensive experience and knowledge of City of Franklin Development and permitting processes and as an Assistant Director in BNS, will continue to focus on continuity of processes and integrating technology across all Development Service departments. **Congratulations on this well-deserved promotion!**

Welcome to the following new hires!

Tim Shaw, SES, Driver/Operator.
