MEMORANDUM

April 6, 2010

TO: Board of Mayor and Aldermen

FROM: David Parker, City Engineer/CIP Executive
Eric Stuckey, City Administrator

SUBJECT: **Dedication of Easement to MTEMC**
Harlinsdale Farms Property
COF Contract No. 2010-0028

Purpose

The purpose of this memo is to provide the information required of the Board of Mayor and Aldermen (BOMA) to make an informed decision as to whether or not to grant an easement on the Harlinsdale Farms Property to Middle Tennessee Electric Membership Corporation (MTEMC) as requested by an adjoining property owner.

Background

Several months ago a resident, Matthew C. Ligon, of Myles Manor Park approached the Mayor and me as to the possibility of obtaining an easement on the Harlinsdale Farms Property in order to have the electrical lines along the backside of his property placed underground. Since the undergrounding of electric lines is something the BOMA has been seeking to achieve whenever possible, I told Mr. Ligon to have an easement prepared by an engineer and I would present it to the BOMA for approval. This proposed easement will be a twenty (20') foot side easement to MTEMC along the southern boundary of the Harlinsdale Farms Property from Franklin Road westwardly (see Exhibit A of the Easement document) to the Tyler Berry IV Property in Myles Manor. This easement will not cause any disruption in the operations of the Harlinsdale Farms Park.

Financial Impact

There is no financial impact to the City of Franklin as all costs for the work required to underground the electrical lines is to be borne by Mr. Ligon.

Options

Available options are to either approve or disapprove the dedication of this easement.

Recommendation

Staff recommends approval of the easement dedication to MTEMC in order to allow the undergrounding of the electrical lines in this area.
