Top tether not being used in forward facing seats. Would you like your seat checked? Schedule an appointment with a [Franklin Fire Department technician](#), by calling 615-791-3275 the morning you'd like to have your seat checked. Please allow 30 minutes for your inspection and

Parking Garage signs up. The new notification signs regarding available parking spaces are now up at the Fourth Avenue and Second Avenue garages. The system is being tested now and we expect to have the signs operational by the **Main Street Festival at the end of April.**

Here is a thank you note this week:

*I'd like to thank **Jack Goins**, my amazing colleague in the Streets Department, for installing the new "Cannons on the Square/Public Square During the Battle" sign on the Square! The sign was purchased through donations collected by the Cannons on the Square Committee at the time that the cannon carriages were installed. The sign has been a long time coming, and Jack was instrumental in making this happen! Thanks so much! Sincerely, **Amanda Rose**, Preservation Planner*
