SAVE THE DATE-MAYOR MOORE'S STATE OF THE CITY 2018. The event is **Wednesday, May 16** at the Factory in Franklin at Liberty Hall beginning at 7am. Breakfast will again be sponsored by the Breakfast Rotary and the theme this year is Back to the Future. So if you are planning to participate in the Department showcase, keep that theme in mind! Hope to see you there!

There were two great articles in the **Tennessean** this week. One is about the new **Southeast Park** master plan and the other is about the new **Arts Commission**. See the two articles here.

Here are a couple thank you notes this week:

William Banks, Just wanted to personally thank you, Paul Roszak and James Golias (CT Consultants) for your time again this morning. We (Franklin Residents) sometimes forget how great we have it. :) I know it is sometimes difficult to deal with the homeowners involved with these changes and all three of you were true **professionals in knowledge and customer service!** Y'all did a great job looking into our concerns further and actually offering solutions. Again, we look forward to the change and please let me know if there are questions or concerns with our property moving forward.—Hank & Marni Gardner

Nate Ridley, We had a wonderful time meeting you, your **team, and touring the SES facility** on Tuesday! "Thank you" seems inadequate, but it is most sincere. You made one little boy's (Brooks) heart very full. It would be hard to express how much he has talked about what he got to experience and understand because of your generous time and kindness. He had a wonderful experience and learned so much. Brooks has certainly been telling everyone the importance of recycling "to take care of the Earth". We try to teach our children to be thankful and express their gratitude to others. Please be sure that you thank each team member of the **SES team** for their interest in Brooks and enthusiasm for him being there. It was noticed, even by a four-year-old boy (and certainly by his Daddy). I am sure "garbage" collection is sometimes a thankless job. Please know our family certainly

appreciates the work you do and the pride in which you do it. Thank you for making Franklin a better place. Well done SES team!

My best to you and your team. Thank you again. With appreciation, Teddy Bichon
