Open enrollment will be May 28th to June 22nd. There are no changes in premiums for FY2019. The City is changing Option II coverage to a High Deductible Health Plan (HDHP) coupled with a Health Savings Account (HSA). An HDHP has a lower premium, but a higher deductible and out-of-pocket cost. Another change is vision insurance will be a standalone policy, so you can have Option II and enroll in vision coverage. Attached is a presentation explaining the new high deductible/HSA health insurance option. Any changes you make to your coverage, will be reflected in the first pay check received in July. If you have any questions please ask Human Resources.
