Open enrollment will be May 28th to June 22nd. There are no changes in premiums for FY2019. For those of you who have not attended an open enrollment meeting, you can access the video on Inside the City under announcements. For those of you in Option I who don't want vision insurance, you must go in to Kronos self-service and WAIVE coverage. If

you are in Option I and DO NOT want to make any changes, there is no need to log in to Kronos self-service. All of your benefits will automatically transfer. If you in Option II, you must decide to either stay in Option II which will become a High Deductible Health Plan or you will need to move in to Option I. Attached is a copy of the PowerPoint and a few

additional pieces of information to help you make your insurance decisions this year. Any FSA or FSA dependent changes will be made during their open enrollment period, which will be November 2018.

Red, White and You! Send your patriotic pictures to the Franklin Fire Department by June 3rd for a chance to be featured on a fire station banner! FFD will use the photos to help spread the message that consumer fireworks, including sparklers, are not permitted in the City of Franklin. Submit fun, patriotic pictures of your loved ones celebrating the 4th safely by Facebook or by email! FFD will select up to 12 photos to be displayed on fire station banners. To submit your photo via Facebook, follow the City of Franklin on Facebook at www.facebook.com/CityOfFranklin. Look for the post asking for your patriotic photo, and upload your photo there. Tomorrow is the fourth annual **Kids Arts Festival of Tennessee at Pinkerton Park**. The Festival, a joint venture between the City of Franklin **Parks Department** and the Williamson County Cultural Arts Commission, is from 10 a.m. until 3 p.m. and is free and open to the public. The Festival will include: a juried art exhibit, hand-crafted art for sale, stage performances, master classes, art stops to experience and create unique art, and more! There will also be interactive art stops - artist Nick Satinover, a printmaker, will run an etching press and artist Meaghan Brady Nelson, a painter, will be running an interactive mural at the festival. For additional information, visit the website at www.franklintn.gov/kaft.

Our **Firefighter recruits** were at lunch yesterday and noticed a man changing a flat tire on his Lamborghini. They offered to help change the tire and the owner accepted. The owner just happened to be **Vince Neil**, lead vocalist of the heavy metal band Motley Crue! Vince later gave us a thanks and mention on Twitter!

Here are a few other thank you notes:

Joe and Michelle,
I spoke with my neighbor on South Margin this morning. She could not say enough wonderful things about our **City Street and Water and Sewer employees** who worked for several days in front of her house. She said each day, the men would knock on her door and tell her everything they were doing that day. They all were so polite, professional, and thorough. She wants them to know how much she appreciates them and thanks them for what they did.

I thoroughly agree with her! 🙌🙌🙌
Vice Mayor Margaret Martin

My name is David Browne and am on the homeowners board of The Barclay Place Subdivision on Downs Boulevard in Franklin. Recently, we ask for help with our trees from, **Todd Snackenber, our City Arborist**. Todd was on time for his walk through our neighborhood and related well with the people who wanted to hear his evaluation of our trees and evergreens. He never got in a hurry. His knowledge and insight will help us improve what we have and better plan for our future. We really appreciate this service as it benefits all of us.

*Sincerely,
David Browne*

Franklin Parks

Thank you for hosting the touch-a-truck event. We asked to stay here forever. It was better than Disney. Please bring more John Deere Tractors next year. *Carson and Grant Brown (3-year-old twins)*

Thanks for *all* you do. Have a great weekend!
