Purpose

The purpose of this procurement is to purchase the supply and delivery of 26 new internally illuminated street name signs for five (5) specified intersections. These signs would be installed by City employees and would be used to replace failed or failing internally illuminated signs at these same intersections. The five (5) intersections are as follows:

1. Mack Hatcher Parkway, Donelson Creek Parkway and Southeast Parkway (8 signs total).
2. New Highway 96 West and Downs Boulevard (4 signs total).
3. Mack Hatcher Parkway, Columbia Avenue and Hillview Lane (6 signs total).
4. Bakers Bridge Avenue and Market Exchange Court (4 signs total).
5. Cool Springs Boulevard and Mallory Lane (4 signs total).

Background

The Streets Department Traffic Division budget for fiscal year 2010 allocates \$80,000.00 out of the General Fund for the purchase of internally illuminated street name signs.

Financial Impact

The City published on March 25, 2010 a Notice to Bidders in the *Williamson Herald* for the supply and delivery of internally illuminated street name signs. In addition, bid documents were sent on or about the same date directly to three (3) potential bidders known or thought to be interested in this solicitation. The only bid, from one (1) vendor, was publicly opened at the bid opening held on April 8, 2010. A tabulation of the bids received for this solicitation is attached. The apparent lowest, most responsive and responsible bid, from Temple, Inc. of Decatur, AL, is in the amount of \$58,801.00 for all 26 signs. Although this bid takes one exception to the City's specifications, it is the lowest bid that most closely meets or exceeds the City's intention as expressed and implied by the City's specifications as well as the instructions, terms and conditions pertaining to this procurement solicitation. The apparent lowest best bid is \$21,199.00 (26%) under budget.

Options

In accordance with the bid documents, the City reserves the right to reject any and all bids.

Recommendation

Staff recommends that the City accept the apparent lowest best bid, from Temple, Inc. of Decatur, AL, in the amount of \$58,801.00 for 26 new internally illuminated street name signs for five (5) specified intersections. Purchasing Manager Brian Wilcox is of the opinion that the prepared specifications as distributed allowed for competition among multiple vendors, and that the staff recommendation appears to be made in a fair and impartial manner based upon the bids received.
