MEMORANDUM

April 30, 2010

TO: City of Franklin Board of Mayor and Alderman

FROM: Eric Stuckey, City Administrator
Vernon Gerth, ACA-Community and Economic Development
Catherine Powers, Planning and Sustainability Director
Erin Reinders, Long-Range Planning Supervisor
Steve Valley, Interim Preservation Planner
Amanda Hall, Historic Preservation Intern

SUBJECT: Ordinance 2010-34 creating the Battlefield Preservation Commission

Purpose

The purpose of this memorandum is to provide information to the Board of Mayor and Aldermen (BOMA) to consider an ordinance to create a Battlefield Preservation Commission.

Background

The Battlefield Task Force was originally appointed as a steering committee charged with implementing the City's Battlefield Preservation Action Plan. The Task Force, which consists of representatives from the preservation and heritage-minded entities of our community, has carried out many of the items on the priority list and should continue to recommend programs or actions designed to execute the Plan. The role of the Task Force has expanded, however, to include the responsibility of serving as the City's historic and cultural preservation brain trust, working to preserve and enhance all of the City's historic sites. The Task Force has functioned as an advisory committee for City projects such as the Wayfinding Signage Implementation Program and the 2009 Tomb of the Unknown Soldier ceremony. The committee also coordinates and implements the City's annual Battle of Franklin Commemorative Illumination event. The Task Force anticipates additional roles moving forward, including advisement of the comprehensive interpretation related to public Battle of Franklin sites. All of these duties promote the realization of the intent of the Battlefield Preservation Action Plan.

In drafting this ordinance, the Department of Planning and Sustainability researched the scope and format of similar historic preservation and battle-related commissions throughout the United States. Throughout the 3-month process of establishing this proposed ordinance, input has been provided by City staff and the current Battlefield Task Force membership. These comments have been considered and implemented into the final version presented here.

Financial Impact

There are no additional financial implications expected at this time.

Recommendation

The Battlefield Task Force and City staff recommend approval of the proposed ordinance formally establishing and recognizing the Battlefield Preservation Commission.
