

GENERAL NOTES

- Property to be rezoned can be referenced as tax map 78k, parcel number 23 in group C as shown on Williamson County Parcel Map. Existing Zoning R-3, Proposed Rezoning RX (Residential Variety).
- Boundary and tree survey information provided by LandDesign Surveying. Topographic & existing structure information outside the site provided by City of Franklin.
- There are no historical structures on this site as identified by The National Registers of Historic Places.
- This rezoning will result in an increase of 8 household units. Based on an average 6 vehicle trips per day (single family attached household unit), this will generate a total of +/-48 residential vehicle trips per day.
- From this site:
 - +/-1.3 miles to The City of Franklin Fire Station No. 1 on the corner of S.R. 96 and 11th AVE.
 - +/-1.2 miles to the City Police Department located downtown at City Hall
 - +/-1.1 miles to Pinkerton Park
 - +/-1.5 miles to Winstead Hill Park
 - +/-2.8 miles to the Williamson County Recreation Center
- This development will result in an increase of 8 household units. Based on an average of 0.23 school age students per multifamily household, this will increase the current student school population by a total of +/- 2 students within the following schools:
 - Franklin Elementary
 - Freedom Intermediate School
 - Franklin Middle School
 - Centennial High School
- This site will require the use of on-site water quality practices to treat stormwater from the site.
- No slopes greater than 14%-20% exist on site
- No portion of this site is located in the 100-year Flood Zone / Flood Plain per FEMA map number 47187C0131E, dated January 16, 2003.
- [R] = Residential for Adjacent land uses
- There are existing watermain and sewer lines adjacent to the site along Columbia Pike and Adams Street as well as internal sewer and water laterals per the approved site plan documents.

- Water and sewer facilities
- Existing facilities
 - Sanitary Sewer System
 - Utility district jurisdiction: City of Franklin
 - Utility district additional flow is 51 SFUE.
 - 1 SFUE = 350 Gallons/Unit/Day
 - SFUE - Single Family Unit Equivalent
 - Domestic Water Supply
 - Utility district jurisdiction: City of Franklin
 - Utility district capacity, by 17,850 gallons per day
 - Natural Gas Service
 - Utility district jurisdiction: Atmos Energy
 - Electric Service
 - Utility district jurisdiction: Middle Tennessee Electric Membership Corporation
- ii) Proposed facilities
- Demand in gallons per day
 - 77 units X 350 gpd = 26,950 gpd

- Water facilities
