## Project Description:

This is a proposed Development Plan that includes Neighborhood Mixed-use Design Concept to allow a mix of ground-floor restaurant, retail, and office with multi-family residential as a transition from existing commercial and assisted living (to the north) to existing single family residential (to the south).

## Why are you receiving this letter?

The proposed project is within 500' of your property.

## What is the purpose of the meeting?

The purpose of the meeting is to make citizens aware of a potential new development within your immediate vicinity and allow you to engage with the applicant early in the review process. The meeting is meant to be informative and provide an opportunity to ask questions directly to the developers about the project. If the project continues with a formal application to the city, it will go through a Public Hearing process. Please be aware that Public Hearings do **not** involve a question and answer session.

## Will the project be voted on at this meeting?

No. The neighborhood meeting is for informational purposes only. The project, should the applicant continue with a formal application, will be reviewed by the Franklin Municipal Planning Commission (FMPC). The FMPC meeting will be publicly noticed and will include time for citizens to speak to the project at formal Public Hearing sessions.

## Format of the meeting:

<b>6:00 – 6:10 pm</b>	informal discussion; time to ask quick questions or take a closer look at the plan
<b>6:10 – 6:25 pm</b>	formal presentation by the applicant to discuss the main points of the plan
<b>6:25 – 7:00 pm</b>	question and answer time; citizens will ask questions at a podium so all in attendance can hear each question

## Can you see the proposed plans prior to the meeting?
