Project Description:

This is a proposed revision to Envision Franklin. The applicant is requesting an amendment to the Envision Franklin Design Concept on this site from Conservation Subdivision to a combination of 3 design concepts. The design concepts would transition westward from Neighborhood Commercial fronting Hillsboro Road to Multi-Family Residential behind and ending with Conservation Subdivision at the rear of the property and running along the Harpeth River.

Why are you receiving this letter?

The proposed project is within 500' of your property.

What is the purpose of the meeting?

The purpose of the meeting is to make citizens aware of a potential new development within your immediate vicinity and allow you to engage with the applicant early in the review process. The meeting is meant to be informative and provide an opportunity to ask questions directly to the developers about the project. If the project continues with a formal application to the city, it will go through a Public Hearing process. Please be aware that Public Hearings do **not** involve a question and answer session.

Will the project be voted on at this meeting?

No. The neighborhood meeting is for informational purposes only. The project, should the applicant continue with a formal application, will be reviewed by the Franklin Municipal Planning Commission (FMPC) on Thursday, June 25, 2020 at 7:00pm in the Franklin City Hall Board Room. The FMPC meeting will be publicly noticed and will include time for citizens to speak to the project at formal Public Hearing sessions.

Format of the meeting:

6:00 – 6:05 pm	directions on how/when to comment; time to ask quick format questions
6:05 – 6:40 pm	formal presentation by the applicant to discuss the main points of the plan
6:40 – 7:00 pm	question and answer time; citizens will ask questions within the forum so all in attendance can hear and/or read each question
