Carson from Franklin Police and Dr Ken Moore have represented our City well. We also had medical staff from **Physician's Urgent Care**, owners of the **Purple Butterfly** downtown and **Williamson School Board member Eric Welch**. We appreciate you all being role models for our citizens and employees. You can see the videos at www.facebook.com/cityoffranklin Remember to wear your mask in ALL City buildings and outdoors when you cannot socially distance.

Shout out to our **Sanitation Department**

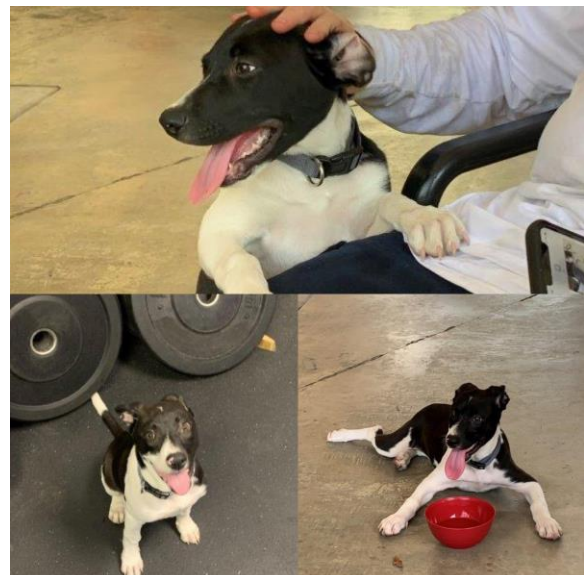

for re-rolling out our **Blue Bin Recycling** program this week. I know our residents are happy and our team is working especially hard bringing this service to our customers.

Due to a staffing shortage, an **all-administrative fire crew staffed Engine 6** on Monday – and they happened to be the first-arriving unit on a house fire that evening! **Battalion Chief of Administration Ben Marler, Training Captain Greg Wild and Fire Inspector-Paramedic Ryan Naylor** did a great job of quickly attacking the fire. Of course, other arriving units and a total of **18 personnel worked as a team to help extinguish the blaze**. You can read more about the incident [HERE](#). Great job by all!

In other fire department news, on **Thursday Lt. Shawn Donovan and the crew at Station 1** did some puppy-sitting. This sweet puppy was found roaming the neighborhood by a citizen and dropped off at the station. The firefighters enjoyed playing with her and caring for her until **Williamson County Animal Center** arrived to take over. Have you adopted a pandemic puppy? If not, this may be the one for you! (That is, if she is unable to be reunited with her owner.) Call the Williamson County Animal Center at 615-790-5590 for pet adoption info.

That's the update for now. I hope you enjoy this nice summer day and have a good weekend. I am on my way to Washington D.C. area to move my daughter there to begin her life with her future husband and start her career in healthcare. This is definitely a hard weekend for me and my wife Lisa, but we are very excited for what the future holds. Thanks for *all* you do, and #wearamask!
