Thank you to everyone who participated in the daily challenges and joined in **on COF Spirit Week last week**. Each day multiple employees sent in their pictures to show their creativity and engagement in and out of the office. Attached is a slideshow filled with employees who participated. You will also find the winners of each day within the slideshow as well. If you were chosen to be one of the lucky winners, you can come pick up your gift inside the HR office.

More from the HR Office in case you missed it.

Franklin Police accepting donations for **2020 Kristi Clark, Carter Oakley FPD Christmas Toy Drive**. You can leave your unwrapped toy for children, ages 1-17, in the Franklin Police Headquarters Lobby, Monday through Friday, from 8:00 am to 5:00 pm, between now and December 18. On February 16, 2015, Kristi Clark and her 10-year-old son, Carter Oakley, were hit by a semi and killed after they got out of their car to help five people in an overturned SUV on an ice-covered I-65 in Franklin. Nearly six years later, Kristi's dad, Brad Lewis, stays very much in touch with members of the Franklin Police Department. A bond brought about by tragedy will bring help to needy families this Christmas, in memory of two good Samaritans who

died helping others in need.

The **Franklin Fire Department's "Coastie," Assistant Fire Marshal Jonathan Dye**, was featured in the special **Veterans Day issue of the Williamson Herald**. In addition to serving in the U.S. Marine Corps, Jonathan has served in the U.S. Coast Guard Reserve since 2007. He earned his anchor and the rank of chief petty officer in August, along with the assignment of Station Destin, Florida. You can read more about Jonathan here: <http://ow.ly/jGne50CcFqy>

This year the **City of Franklin is planning a "reverse" parade** to celebrate and honor veterans on **Veterans Day (November 11th) at 11 a.m.** The parade will take place at the Park at Harlinsdale Farm. Veterans will line the road inside the park while the community drives by and shows their appreciation. We wanted to find a way to honor our veterans but still be safe during a global pandemic. Veterans, bands, and other participants will be stationed along the road throughout Harlinsdale. This will give them ample room to social distance.
