Project Description:

Re-zoning and Development Plan for the property addressed above, to allow multi-family & mixed-use development to include 555 Residential units with associated amenities as well as 5,000 SF of Retail.

Why are you receiving this letter?

The proposed project is within 500 feet of your property.

What is the purpose of the meeting?

The purpose of the meeting is to provide a progress update for citizens of a potential portion of the development within your immediate vicinity and allow you to engage with the applicant early in the review process. The meeting is meant to be informative and provide an opportunity to ask questions directly to the developers/designers about the project. If the project continues with a formal application to the city, it will go through a Public Hearing process. Please be aware that Public Hearings do **not** involve a question and answer session.

Will the project be voted on at this meeting?

No. The Neighborhood Meeting is for informational purposes only. The project, should the applicant continue with a formal application, will be reviewed by the Franklin Municipal Planning Commission (FMPC) and will also be reviewed by the Board of Mayor and Aldermen (BOMA). Both the FMPC and BOMA meetings will be publicly noticed and will include time for citizens to speak to the project at formal Public Hearing sessions.

Format of the meeting:

6:00 – 6:05 pm directions on how/when to comment; time to ask quick format questions

6:05 – 6:40 pm formal presentation by the applicant to discuss the main points of the plan

6:40 – 7:00 pm question and answer time; citizens will ask questions within the forum so all in attendance can hear and/or read each question

Can you see the proposed plans prior to the meeting?
