Mr. (Jack)Tucker- I wanted to let you know that I have had great recent customer service with your employees on the phone about excessive yard waste. Please let them know that it is evident the pride that they have in their position.—Alan Baker

*Mr. (Alex) Brown, I just wanted to drop you a quick note and let you know what an incredible employee you have in **Mark Pagan**. I emailed him a couple zoning questions yesterday morning, and not only was he quick to respond, but he was incredibly helpful in providing me with exact links and directions to all the codes and rules. He also answered all of my questions pertaining to those codes. I really appreciate the help he gave me this week. It's so refreshing to be able to contact someone for help and actually get it!—Sincerely, Diane McDaniel*
