

MEMORANDUM

July 8, 2010

TO:

Board of Mayor and Aldermen

FROM:

Eric S. Stuckey, City Administrator

Eric J. Gardner, P.E., Director of Engineering

William G. Banks, Staff Engineer I

SUBJECT:

Franklin Corridor and Connector Streets Economic Development Project: Segment One

3rd Avenue North and 5th Avenue North

Final Change Order (CO #8)

Purpose

The purpose of this memo is to bring forward Change Order #8 for the 3rd Avenue North and 5th Avenue North Streetscape Project, which will closeout this contract.

Background

The 3rd Avenue North and 5th Avenue North construction contract began on June 16th, 2008. Construction of this project was substantially complete on August 14th, 2009.

On April 28th, 2009, BOMA approved Change Orders #1 and #3, increasing the amount of work performed by the contractor (included additional festival and electrical provisions for 3rd Avenue North and added the 3rd Avenue North 10" water line). Change Order #2 was not approved. On August 25th, 2009, BOMA approved Change Order #4 which extended the contract time by 60 days (needed to cover the installation of Change Order #1 and #3 items). On October 13, 2009, BOMA approved Change Order #5, which increased the construction contract amount to cover needed and required changes to complete the job correctly. On November 24, 2009, BOMA approved Change Order #6 for the installation of a decorative stone wall at 138 3rd Avenue North (recently completed in March 2010). On May 25, 2010, BOMA approved Change Order #7 to provide water service to 232 Public Square (an additional 3/4" water service line connection off of 3rd Avenue North).

This Final Change Order covers additional line item overruns that were found during a project audit. Subsequent field inspections and meetings with the contractors were held to reconcile these quantities.

Financial Impact

Increase the current Civil Constructors, Inc. contract amount of \$5,015,363.00 by \$107,577.50 for a final construction contract amount of \$5,122,940.50.

Recommendation

Staff recommends approval of this Final Change Order with Civil Constructors, Inc. in the amount of \$107,577.50, thereby closing out this contract.
