MEMORANDUM

July 13, 2010

TO: City of Franklin Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator *ES*
Kristen L. Corn, Staff Attorney

SUBJECT: Ordinance 2010-54 – Registration for Scrap Metal, Antique, Jewelry, and Precious Stone and Metal Dealers

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information to consider Ordinance 2010-54 that addresses the registration of antique, used and scrap jewelry and precious stone and metal dealers.

Background

The Municipal Code addresses certain registration requirements for antique, used and scrap jewelry and precious stone and metal dealers. Specifically, it is the duty of all persons, firms or corporations located within the corporate limits of the City of Franklin who deal in the purchase, sale or exchange of antique, used, or scrap jewelry or any precious stones or metals, or any valuable metals such as copper, brass, aluminum, and the like, for the purpose of resale of any item in original form or as changed by remounting, melting, reforming, remolding or recasting, or for resale as scrap or in bulk, to register with the Chief of Police of the City. This applies to all those dealers except those who deal solely in the coin business. Until last year, this provision essentially mirrored the state law regarding this issue, but in 2009, the state legislature modified this law to add another exception to this registration requirement: Transactions between dealers, when the selling dealer has previously complied with the registration requirements, do not have to be registered. Ordinance 2010-54 will bring our Code directly in line with this amended state statute.

Financial Impact

There is no anticipated financial impact.

Recommendation

Approval of Ordinance 2010-54 which amends the Municipal Code Title 9, Chapter 8 to comply with a recently modification by the state legislature in the Tennessee Code Annotated is recommended.
