As Amended

**A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR PRESERVE AT SHERIDAN PUD
SUBDIVISION WITH 1 MODIFICATIONS OF DEVELOPMENT STANDARDS
(CONNECTIVITY), FOR THE PROPERTY LOCATED WEST OF FRANKLIN ROAD AND SOUTH
OF SOUTH BERRYS CHAPEL ROAD, LOCATED AT 2247 SOUTH BERRYS CHAPEL ROAD**

WHEREAS, the Board of Mayor and Aldermen (BOMA) of the City of Franklin, Tennessee, has, or will, approve the zoning for the property as part of Ordinance 2024-09; and

WHEREAS, the Planned Unit Development (PUD) process is a review procedure that is intended to encourage innovative land planning and design and avoid the monotony sometimes associated with large developments by:

- a) Reducing or eliminating the inflexibility that sometimes results from strict application of zoning standards that were designed primarily for individual lots;
- b) Allowing greater freedom in selecting the means to provide access, light, open space, and design amenities;
- c) Encouraging a sensitive design that respects the surrounding established land use character and natural or man-made features of the site including, but not limited to, trees, historic features, streams, hillsides, and floodplains;
- d) Promoting quality design and environmentally sensitive development by allowing development to take advantage of special site characteristics, locations, and land uses; and
- e) Allowing deviations from certain zoning standards that would otherwise apply if not contrary to the general spirit and intent of this ordinance; and

WHEREAS, the PUD process requires the approval of a Development Plan that is reviewed and approved by BOMA after a public hearing and a recommendation by the Franklin Municipal Planning Commission; and

WHEREAS, in accordance with the provisions of the City of Franklin, Tennessee, Zoning Ordinance, and as required by Tennessee Code Annotated § 13-4-310, as amended, the approval of the Development Plan by the BOMA will initiate a vesting period during which the development standards adopted by the City and in effect on the date of approval shall remain the standards applicable to the approved Development Plan.
